Testator in presence of just
subscribers witnesses
The Seal by
William Godds

Be it remembered that I Robert Mrygowan the Testator
aforesaid do this 15th day of May 1804 make and publish
the following bequest to the foregoing will that in lieu of
the provisions made in the 10th section which directs that the
house called Belfast together with the garden orchard and
land described in the third section and supposed to contain
51 acres after the trust estate created for my wife shall cease
shall be held in trust by my executors or Trustees that of one
or more of my children should wish to purchase the whole
thereof they should determine by lot which should take it
and the one in whose favour the lot should fall should
receive it at valuation and pay the balance deducting his
proportion. It is my will and desire that if in the Opinion
of my said executors or Trustees it shall be necessary and proper
in order to enable them to discharge the legacies &c. as they
become due to divide the land aforesaid belonging to the
Belfast house they are hereby authorized to divide the same
as follows to begin on the Broadstone road half way between
the town houses and Mastersons corner which will be 50
feet from the town house then to run a line north 60^o east
or at right angles from the road to the line of the town
land and all the land between that line and Mastersons
land my said executors or Trustees may if they should think
absolutely proper either sell or let to one of my children

And the said house Belfast and the remainder of the land
thereunto belonging to be disposed of in the manner provided in
the said 10th section. In Testimony whereof I have hereunto
set my hand and seal the day and date first above written
done in the presence of
