

Will of Thomas Bell that his widow, Selah Bell, was entitled to the Slaves and other property until one of the children attained the age of twenty one years, and th^r after that period she was entitled to one fourth part of the Slaves &c. Thoma Bell attained the age of twenty one years in Sept 1826. So that for that year Mrs Bell is chargeable for one third of the hire, which amounting to \$588. She is chargeable with the sum of \$196 and with the sum of \$587.75 for the hire of the negroes in the year 1827, amounting in the whole to sum of \$783.75 and leaving a balance due to Selah Bell from Thos Bell estate of \$2114. and 25 cts. Selah Bell is also strictly entitled to the further sum of \$4890 cts for 5 per cent Commission on the sum of \$9778 above mentioned. Therefore we recommend a settlement of the accounts in the manner above stated - Mrs Selah Bell was entitled to one fourth of the hire above charged to her which we have omitted thinking it probable that her portion of the expenditure amounted to that sum - Given under our hands this 24th day of April 1829 -
