James E. Egan
Will

I James E. Egan of the County of Henderson & State of Kentucky do make & ordain this, my last will & testament. First: Being the owner of Two brick houses each with a lot fronting forty nine and 1/2 feet on the north side of Centre Street between Adams & Morgan Streets in the City of Henderson Kentucky, I give & devise the most valuable of said houses & lots being the one now occupied by Mrs. M. H. H. to my only daughter Belle Belle, as her full share of my estate to be held as hereafter directed. This may be thought more than an equal share, be that as it may, she is my only daughter & has been kind and dutiful to me in my long affliction, and I deem it proper that she should be provided for in such a way that she will never be brought to want, so far as my for my children is concerned, God knows I have no difference between them. I love them all dearly, with all alike, but girls are more helpless than boys, and this is the reason why, I make this provision for

my daughter. And I hope my dear sons will think of it in their way and be satisfied. I devise said house & lot to my said daughter, to be the share of any husband she may have, to be enjoyed by her as separate estate, and for that purpose the title shall vest in H. E. Turner and his successors, as trustees, to be held in trust for my said daughter as long as she may live, at her death this trust to terminate & the property to go to her children & their descendants, of whom she should die without leaving children or descendant of her body, I devise that said property shall belong to & be equally divided between my three sons, Charles James & Henry & their heirs, I further devise that said house & lot may be sold, by the concurrence & joint deed of my said daughter H. E. Turner, in which event the proceeds of sale shall be reinvested in the said estate, to be held & shall pass, in the same way as devised in regard to said house & lot.

Second: I devise that all my just debts be paid out of the balance of my estate & for that purpose I direct & authorize my executor, to sell & convey the house & lot in the City of Henderson, my late residence, or homestead, upon such terms as he may think best.

Third: The balance of my estate both real & personal, after the payment of my debts, I devise to my three sons, Charles, James & Henry in equal shares, and as the real estate can not be divided without a sale I wish their guardian to reach it out for their support until a sale shall be deemed advantageous or a division necessary. I do advise each of my beloved three sons, as soon as he shall be able to do so, to engage in some honorable trade & by industry, sobriety & honesty, to make useful & respectable money for themselves, such will surely be their reward if they follow this advice. I appointed my friend John A. Knight, Guardian for my dear children & hope he will accept the trust I feel that he will do for them as I would for his, even in my situation.

Fourth: I solemnly & affectionately request my friend, P. H. King, the notary in and of this my last will & request him to have it faithfully executed.

I do witness my own signature this first day of April 1871
