J. H. Poudon
Will

I J. H. Poudon of the County of Henderson and State of Kentucky, do hereby make and ordain this my last Will and Testament in form and manner following that is to say
1st I will to my wife the household and farm on which I now reside, that is all of my said farm on the south side of the Henderson Road containing three hundred eighty six acres for her natural life, also four good mules one buggy horse and my last bed, more, you can't value all the stock of hogs & sheep on the household farm, all the household furniture (including Piano) all the farm implements, waggon, buggy & harness (belonging to the household farm) all this property to be for her use & benefit during her life and at her death such of her may remain to be sold as part of my estate and to be divided as herein after directed. I also give to her in fee simple the sum of Six Thousand Dollars in Henderson City 8 per cent Rail Road Bonds.
2nd I give my son Wm. H. Poudon all

that part of my house farm on the N. E. side of the Chambers Road containing four hundred & fifty four acres during his natural life & at his death to be equally divided among the heirs of his body according to the law of the country giving his widow should have one her right of dower therein.

Item 3rd I will to my son Wm. Hatchett in trust for the use & benefit of my daughter Susan the four thousand dollars of Bank stock held by me in the Farmers Bank of Ky. the dividends on the same to be paid to her as she is during the time she remains unmarried, but upon her marriage then the said stock to be invested in the purchase of a farm for the use and benefit of my said daughter Susan upon the same conditions and in the same manner that the land hereinafter willed to my daughter Betty is willed should my said Susan not marry then the said four thousand dollars may be disposed of by her by will. Item 4th I will to my daughter Betty the tract of land known as my fathers home & known to be land & dirt containing 232 3/4 acres, I give her the said land during her natural life and at her death to be equally divided among the heirs of her body according to law giving to the surviving husband should he leave one his right of dower or life interest therein. Item 5th I will & give to my son John Thomas the homestead herein before willed to my wife at her death I will & give the same to my said son John during his natural life but his death to the heirs of his body according to law giving his widow her right of dower therein. I also will him two horses, two mules, two cows, calves, one hundred dollars in money and one bed bedding.

Item 6th The lands which I own on Green River (being near 700 acres) I wish my sons Wm. & Geo. T. to hold & run out for thirty years from the time of my death, the net proceeds of the same, after allowing the mtn for cut for their trouble of management to be annually equally divided between my two sons Wm. & Geo. T. & my daughter Betty. It is my express wish & desire that the said lands be well kept up by making all necessary improvements thereon & clearing still more land to the extent 400 acres if it requires the greater part of the net proceeds to accomplish the same, the said lands I will & wish at the end of said thirty years to be equally divided among my grand children then living. Should any of my grand children however having died and leaving children or child then said children or child to their such grand child share of the same, my meaning by this clause is plainly what it says. I want all my grand children to share equally in this property, that is, I should one of child have only one child and another have two then each of them two to receive as much as the one.

Item 7th All the property & estate which I may own at the time of my death which is not herein specifically devised, I will and direct that my executor hereinafter named shall dispose of either publicly or privately and on as long or short terms as they may deem for the best interest of the estate, this applies to both personal & real estate and that the proceeds of said sales with all other effects in the hands of my said Executor after paying all of my just debts & expenses of administration be equally divided between my three children Wm. Geo. T. & Betty. I do not wish such division to be made until my son Geo. T. becomes of age, as I wish him to be kept at school until that time and his expenses for the same to be taken from my estate and not from his

share therein. Item 8th Should either of my children herein named die without issue then the property he is willed to said child or children shall revert to & be enjoying brother or sister or their heirs or children to law. Item 9th I hereby nominate my son Wm. Hatchett Executor of this my last Will & Testament and should I die before my son John becomes of age, I wish him also to act as co-executor, and hereby give them discretionary power to manage my estate as they believe for the best interest of the same, and would also respectfully pray the Court not to exact or require security of them in their executor bond, signed and acknowledged by me in the presence of subscribing witnesses.
