Jo. A. Graham

Will

In the name of God Amen, I Joseph Graham of the County of Henderson and State of Kentucky, being of sound mind and disposing memory and being desirous of settling my worldly affairs while I have strength and capacity so to do, do make, publish and declare this to be my last will and Testament, that is to say: First, I will that all the property I may be in possession of at my death to be sold at such time & terms as my Executors may think best. Second, I wish all of my just debts paid out of the proceeds of my sale as soon as collected, and I should there not be enough from that source to pay said debts, then complete the payment of my debts out of the cash or ready money I may have - Third, I give and bequeath to my grand son Robert Graham, and his heirs, all of the entire sum of money remaining from every source after the payment of my just debts, having as I conceive already given to my grandson James A. Church his full share of my estate, therefore believing it would be unjust to give said James A. Church any part of my estate remaining at my death. Fourth, I wish my body decently interred and my funeral expenses paid out of any ready cash I may have on hand.

Fifth, It is my desire that R. A. Armistead act as my Executor and that my grandson Robert Graham be bound to some man esteemed a just and humane person, and who is a carpenter by trade, that he may learn my grandson the same trade, and otherwise do for him as the law directs.

In Witness Whereof, I hereunto sign my name and affix my seal this the 8th day of December 1854.

Signed and sealed in our presence as his last Will and Testament.
