

Who whose names are hereunto subscribed declare that we are
acquainted with the late Mrs Diana Lewis for several years preceding
her death; that on the death of her husband the late George Lewis
she became an inmate of theirs and continued so until her death,
which took place on the eighth (8th) day of August last past. And
that at several times preceding her last illness when of disposing
minds and memory (to the best of their knowledge and belief) she
declared to them it was her wish, that whatever property she might
have at her death, should go to a child she intended to adopt or
had adopted of the name of Agnes Pye Wether daughter of Mr. W.
Wether and Harriet Wether late of the theatre, on condition that Mr.
Wether of Lexington Grandfather of the said Agnes Pye Wether
should never in any pretence have the control of a single dollar
of the said property. And that the Mrs Lewis only wanted the
child being of a proper age to choose a Guardian which she
believed would be about March next.
