Jones (which is Eighteen hundred dollars) and the money that arises from
the sale of my perishable property. My Executors to pay the money to the

twelve dollars sixty two and a half cents. If there should be any surplus money
left after each receiving their legacy aforesaid, it is to be equally divided between
all my children. My Executors are to pay interest on the money that is in the
hands of Bullitts Jones to each legatee as they come of age. Also the sum and
two thirds of the rents and profits arising from my land to be equally divided
between my six legatees until they all arrive at the age of twenty one.

two thirds of the rents and profits arising from my land to be equally divided between my six legatees until they all arrive at the age of twenty one or twenty two years. It is my desire that when my youngest child arrives at the age of twenty one year that if my wife is dead I wish my land to be sold and the money equally divided between my six legatees, but if my wife should be alive when the youngest child becomes of age the land is not to be sold without her consent. My Executors are not to suffer any tenant or lessee to sell on any part of my land and they are to take particular care of the timber & c. If any of my legatees should die without a lawful heir, their legacy shall be equally divided between the surviving legatees and so descend from one to another without lawful heirs. I appoint my sons Jerry M Buckner and Henry S Buckner my lawful Executors to this my last will, testament & c. revoking all other wills or parts of wills heretofore made. In testimony whereof I have hereunto set my hand and affixed my seal the day and year first written.

Secondly - It is my wish and desire that my youngest daughter Anne have the sum of Six hundred dollars allowed out of my Estate before the division for the purpose of raising and educating her and that my son George Rowley have the sum of two hundred dollars allowed him in like manner and for the same purpose, thereby placing them on an equal footing in that respect with my Elder children who have been raised and Educated free from charge.
