

In the name of God Amen

and

I Samuel Mills of the County of Jefferson and State of Kentucky being of sound mind and disposing memory though low in bodily health do make, ordain and establish this my last will and testament, hereby revoking all others that I may have heretofore made.

In the first place it is my will and desire that all my just debts and the expenses that may be incurred by placing my body in the earth from whence it came be paid out of my estate.

Item 2^d - I will and bequeath all my estate real, personal and mixed to my son Jonathan Mills and his heirs forever; but it is my desire that my said son Jonathan Mills will after my death give to his two sisters Sally Mills and Sidney Lee Mills such proportions of my estate as will make the amount to them equal to what I have already given to his two sisters already married, Susan and Polly. And also to support as far as my estate hereby left to him will admit his mother Mary Mills during her natural life.

And whereas it may be thought by some of my children that I ought to have left them something in my last will and testament, I wish them not to think I have neglected to do so through any want of affection for them or because any of them have displeased me, but because I consider and believe I have already given them at different times, either by giving them good trades or by giving them property, as much if not more than I have here bequeathed to my son Jonathan and his two sisters Sally and Sidney.

what I have already given to his two Sisters already married, Susan
and Polly, And also to support as far as my estate hereby left to him
will admit his Mother Mary Mills during her natural life -
And whereas it may be thought by some of my children that I
ought to have left them something in my last will and testam-
ent, I wish them not to think I have omitted to do so through
any want of affection for them, because any of them have displeased
me, but because I consider and believe I have already given them
at different times, either by giving them good trades or by giving
them property, as much if not more than I have here bequeathed
to my Son Jonathan and his two Sisters Sally and Sydney Lee
and because if it were not so, he has to support out of the little
I bequeath to and will to him an affectionate but aged mother
I do hereby nominate and appoint my said Son Jonathan Mills
my sole and only Executor to carry into effect this my last will
and testament In testimony whereof I have hereunto set my hand
and affixed my seal this Twenty Seventh day of June in the
year of our Lord one thousand, One thousand eight hundred and
Twenty one.
