

200

Executors to divide my estate amongst
all my children that their portions be as
nearly equal as they can make them
including what my five first children
had received at marriage in their
portions and if any of the rest should
have received any thing so add that
to their portions also after reserving out
of my estate as much as will finish
raising and schooling any of the children
that may not be grown but if all
grown at her death and equal division
among the whole including as above
~~directed~~ after paying themselves for
their services in the estate — My
will and desire further is that my
son Philip Smith continue with his
mother if it is their choice and my
Executors make him compensation for
his services and lastly I do appoint
my Trusty friend William Hughes
and John Hooty and Richard
Lafon Executors to this my last
will and testament. In Witness

291

whereof I have hereunto set my hand
and seal this 24th day of January 1809
