April 14th 1813

I was requested by David Hoover of this County and State to write his will or testament
he told me that Andrew Hoover and Henry
Peters senior both of this County should be his
Executors and his wife Elizabeth Hoover open his
last father stated to me that his Brother Isaac Hoover
of this County and State should have all his land &
all other property belonging to him except an iron
Pard he was to have and other money also too
he made mention of a horse being that he
of his son of Henry Oliver in should have some
of his money the Boy is said also a son of Andrew
Hoover by name Jones and son of Thomas G. G. G.
should have some but none were mentioned to me
than about seven years before his death so I did hear
him say so many as six years before this time that his
Brother Isaac Hoover should have his land and
other properties after his death and none of his other
Brothers and sister should have any of his estate
Doctor Peter Fisher

also his wife heard him say this about six
two and a half years after he left me
Also has Andrew Hoover and his wife hear him say
the same 4 or 5 years before his death

I Peter Gault of the County of Seppanimo do hereby
relinquish my right of
advise upon the estate of my deceased husband and
request the Court to appoint Abraham Gault the father
of my late husband and
