April 14th 1813

I was requested by David Hoover of this County and State to write his will or testament he stated to me that Andrew Hoover and Henry Pickers senior both of this County should be his Executors and his wife Elizabeth Hoover open his dearest his father stated to me that his Brother Isaac Hoover of this County and State should have all his land & all other property belonging to him except an iron Pan and his tools and other things the money also too he made mention of a horse being that a son of his son of Henry Oliver in should have some of his money the Boy is said also a son of Andrew Hoover by name Jones and son of Thomas G. Fort should have some but none were mentioned to me then about seven years before his death so I did hear him say so many as six years before this time that his Brother Isaac Hoover should have his land and all other properties after his death and none of his other Brothers and Sister should have any of his estate

Doctor Peter Fisher

also his wife heard him say then about seven years ago after he left me also has Andrew Hoover and his wife hear him say the same 4 or 5 years before his death

I Peter Castle of the County of Seppamine do hereby relinquish my right of advow upon the estate of my deceased husband and request the Court to appoint Abraham Castle the father of my late husband and son
