This indenture, made and entered into in the year of our Lord, One thousand eight hundred and twenty nine, and on this the fifteenth day of October, freely and honestly as to my conscience, and in my honest and sincere heart before my God, by whom I know I shall be judged at the last day and before all men, and the world, and in honour to myself and family, that this day I make a free and voluntary decree of all my estate real and personal, that God has given or blessed me with in this life, to be at my decease, distributed as follows (to wit) My first wish is, in equal to that after my death, that all my just debts be fairly adjusted and paid off. Then secondly, for the love and affection I have for my beloved wife Frances Shearwood, I will and bequeath unto her my negro girl by the name Sally about fourteen years of age and all her increase to be her lawful property during her natural life, and at her death to go to my youngest son George Shearwood, and that my beloved wife continues in the farm and in the house where I now live, during her life. And in the second place, I have given to my first son, children, six hundred acres of land, which I purchased of Samuel Long, lying and being then in the County of Brackensridge, to them and their heirs forever, also to my beloved daughter Susan Howard, I do freely will and bequeath one negro woman by the name of Kelly, about thirty four years of age, her and all her increase to her heirs forever, to be their lawful property and slaves. Unto my next daughter Kelly I give one negro boy named Dick about the age of thirteen to her and her heirs forever also to my son Peter Shearwood and bequeath one negro boy by the name of Daniel to him and his heirs forever, to have and both the said Daniel free from all claims. Unto my daughter Kelly I have one negro boy by the name of Ben, aged about two years old to her and her heirs forever. I therefore consider my first six children as having their just due when they have received the above named negroes which I have given at my decease or end of this life. With respect to my last eight children in the great love and parental feelings I have for them, I make the following distribution of the balance of my estate real & personal, in equal to what I have given my first six children. I bequeath to each of them as followeth First it is the wish and desire of my soul to give unto my son Thomas Shearwood one negro boy named Dennis about nine years old to him and his heirs forever. And to my son Charles Shearwood one negro girl by the name Lucinda about the age of six years, her and her increase, unto him and his heirs forever. And unto my daughter Susan Howard I give one negro girl named Ginny about fourteen years of age, her and her increase to her and her heirs forever.
