In the name of God Amen. I Abraham Stohrer of the county of
 Spangum and State of Kentucky do make and publish this my last will
 and testament in manner and form following. Viz. I do hereby nominate and
 appoint my friend David Reeves Executor of this my last will and testament
 It is my will that as soon after my death as practicable my said executor
 shall proceed to sell at public sale the whole of my estate both real and
 personal, and collect all debts due me and the money arising from both
 sale and collection to be by him disposed of as follows. Whereas Elizabeth
 Turner of said county was between six and seven years ago delivered of a
 female child named Elizabeth this said child I do acknowledge to be
 mine, and it is my will that the money arising from the sale of my
 estate and collection of debts shall be by my said executor loaned out
 at interest until the said child Elizabeth shall arrive at the age of twenty
 one years and then pay over to her the whole of the principal. But should
 the said Elizabeth marry before she arrives at the age of twenty one years
 then in that case I will that my said executor pay it over to her immediately
 by upon her marriage. If the said Elizabeth should die before she arrives
 at the age of twenty one years and have no child or children then it
 is my will that the whole of said money be divided between my son
 John Stohrer and should she have a child or children then it is my will
 that her children should have it. It is my will that David Reeves
 my Executor herein named shall have the interest arising from the money
 loaned out as above directed as a compensation for his trouble in discharging
 the duties of executor. In testimony whereof I have hereunto set my hand
 and seal this 5th day of May 1831.

In the name of God amen. I Adam McConwell of the County of Sepamun and Commonwealth of Kentucky being in a declining state of health and at all times knowing the consequence of life. But being in possession of the proper use of my reason and mental faculties judge it expedient to make a will to show how the little property which I possess may be disposed of after my death. I will and bequeath unto my beloved wife Frances McConwell all my property of whatsoever description to be wholly her during her natural life. And it is further my will and desire that at the death of my wife the property which she may be possessed of and particularly that which I now bequeath her to be equally divided between my two daughters Fanny & Mary and should either of my said daughters die before their mother in that case the survivor of them is to inherit all that I have said bequeathed of & I appoint my dear beloved wife the executrix of this my last will and testament revoking all other wills or wills heretofore by me made.
