William Hill

I Waller Lewis now of sound mind & right senses  
 do make this my last Will and Testament hereby  
 revoking all others heretofore made by me, to wits  
 I bind to my beloved wife Sally Lewis during  
 her life time in case she should not marry  
 all my estate both real and personal includ-  
 ing that also both real and personal which  
 may fall to my part in the division of my

gathers estate next fall or winter of every kind what-  
 ever leaving it to her judgment & discretion after  
 paying my just debts to and an equal each  
 and all of our children as they may need it and  
 she may find herself able to spare it.

It is my will & desire that my lands in Caroline  
 county in Virginia commonly known by the name  
 of Frank White given to me by my wife father  
 should be sold and the money arising from the  
 sale to be applied as far as it may go to the  
 payment of my debts and also that a bond left  
 in my father's hands and since his death so doubt  
 among his papers given to me by Henry John  
 Burns for nearly four hundred dollars the  
 bond given in 1816 but the particular date of it  
 not recollects should be applied towards the discharge  
 of my own bonds given to William Arnold and James  
 Chiles date also in 1816 but the particular date  
 of which are not recollects and that she & my  
 negro as my wife may think ~~most~~ suitable should  
 be held to pay off all the balance of my just debts  
 of every kind which she may not be able to obtain a  
 credit on until the money may arise from the  
 profits of my estate to discharge, in case she should  
 be able to obtain a credit on any of my debts until  
 she may raise the money from the profits of my  
 estate it is my will & desire that she may have the  
 privilege of doing so, and at the death of my wife  
 if she should not marry it is my will and desire  
 that my whole estate both real & personal of every  
 kind should be equally divided among all and chil-  
 dren and their legal representatives if any of them  
 should have died leaving him or their bodies taking  
 into the portion of each whether they may have  
 received in my lifetime and in the life time of my  
 wife at its value when received but this I do not  
 wish to apply to negroes but as they and their wives  
 are must be brought back into my Estate and  
 be equally divided among all of our children at my  
 wife's death when a general division of all my  
 estate may take place among them, after my death  
 in case my wife should marry & then leave her dur-  
 ing her life time one negro man named Moses &  
 also one negro man named Jacob a peddler but no  
 furniture and above not exceeding \$80 in value  
 also a saddle, and bridles and at her marriage it is
