In the name of God Amen I Benjamin Reeves of the County of Mason & State of Kentucky being very sick & weak in body but of perfect mind & memory thanks be given to god ^{giving} in to mind the Mortality of my body & knowing that it is appointed unto all men once to die do make & Ordain this my Last will & Testament that is to say Principally and first of all I give and Recommend my soul unto the ^{almighty} hands of god that gave it. & my body I Recommend to the earth to be Buried in decent Christian Burial at the discrepion of my Executors And as touching such worldly Estate as I ^{possess} I give devise & Dispose off the same in the following manner and Form first I Ordain that my Negroes Maryland blos & Rachel shall be free

incamped on the Creek now called Back Hill Creek then
 they had built some Cabins for this dep^t & the not liking
 the land the Company struck a course for the North
 and came to a pretty pretty piece of land where it
 was ~~proposed~~ proposed to build a Cabin for Nath^l Triplett
 and a Cabin was in the presence of & with the assist-
 ance of this dep^t built for the said Nath^l but whether
 this is the place or not this dep^t cannot say, he does not
 think the land looks like the place but the tree being
 marked with the name of the s^d Triplett induces him
 to suppose this is the place. Questⁿ by Nath^l Esqly
 Agent for the Claimants of Triplett's preemption, do you
 believe this is the place where Triplett's Cabin
 was built? Ans^r I cannot say. I have no reason
 to think this is the place, except the Marks on the tree
 Questⁿ by Wm K. Marshall do you recollect anything
 of N. H. Triplett having marked a tree at the time of build-
 ing his Cabin. Ans^r I do not recollect that he made any
 marks. Questⁿ by N. Ashby. Had Triplett any Improv-
 -ment but one? Ans^r I assisted in building but one for
 him, and the Company allotted but one to him, he being
 a boy. If he had any other I do not recollect it. Nor do
 believe he had. Questⁿ have you seen any other place in this
 Neighborhood that comes better up to your Idea of N. H. Trip-
 lett's Cabin than this? Ans^r Yes I have seen two places in
 which looks more like it, than I think we came down a
 drain, and built the Cabin in a flat place on the

377 right hand side of the drain. And further this deponent said
 not
