Thompson Account of George C. Thompson Guardian of
 Geo. C. Joseph A. Thompson and Mary M. Thompson
 Guardian of Infant heirs of Joseph Thompson Deceased

312

The Guardian beg leave to observe that since the
 date of his account rendered at last October Court
 there has been no change in the property of his
 two wards worth noticing. There has been no further
 division of the Estate. The Guardian has continued
 for this last year the same agreement with the mother
 or in behalf of his two wards that he mentioned in
 detail in his account four years since. He has no
 doubt that they have been provided for in the best
 way possible better and more gently than he could
 have done it by applying to the use of them separ-
 ately their respective proportions of the Estate it dis-
 posed. All which is respectfully submitted to the
 Court, 29th September 1820 -
