Account of George C. Thompsons Guardian of
 Joseph A. Thompson & Mary M. Thompson
 Infant children of Joseph Thompson Dec^{de}

The Guardian says he has to observe that
 since the date of his account rendered last
 October there has been no change in the Pro-
 perty of his two wards worth noticing —
 Thus he has no further division of the
 Estate. The Guardian has continued for
 the last year the same agreement with
 the Mother in behalf of his two wards
 which he mentioned in detail in his
 account three years since. He has no
 doubt that they have been provided for in
 this way much better and more gently.
