In obedience to an order of the Court of Mercer County we have proceeded to examine the accounts of John and Mary Lyle administrators of the Estate of Samuel Lyle deceased do herewith transmit a statement of the accounts wherein it appears that there is a balance due to the said administrators the sum of seventy three pounds and one penny by them repaid and for which they are entitled to a credit given under our hand Dec^r 8th 1800

Levee John
Robert Todd

It appears to the Commissioners upon a Jacob Fishback view of the Inventory that the administrators ought to receive additional credits as a deduction as they discover the appraisers have descended to the valuation of the apparel of the Deceased of the Decedant which we conceive cannot be supported by law, and which common decency forbids; but they humbly submit the consideration of this to the Court
