Thompson Joseph & Thompson & Coys. W. Thompson present
hair of Joseph Thompson & Co. The Guardian says that to
Guards state that since the sale of his account remained last
a/c. To later there has been no change in the property of his three
Marcs with noticing there has been no division of the Estate
Except that Commissioners appointed by the court have pro-
ceeded to attorn in part to Thomas B. Hood who intermarry
with Ann C. Thompson one of the heirs of her share. The report
of these Commissioners it is presumed has been submitted

138 To the Court - The Guardian has continued for the last year
the same agreement with the mother in what of his three
wards which he mentioned in detail in his account 6 years
since. He has no doubt that they have been provided for in
this way much better and more gently than he could have
it by applying to the use of them separately their respective portions
of the Estate if divided. On the 2^d day of July last Eliza C.
Thompson one of the wards intermarried with Peter John
Adams Anson. Up to that day this account is intended to ask
so far as it relates to the Interest of Eliza. - Which is re-
specting submitted to the Court - 2^d Dec. 1818.
