leave to remark that in the annexed acct page 2. there is the
following, "Charge made by the Executor N. H. Sheriff's receipt
for improvements Northway is Foulus which I paid after
Receipt 1084-12 p. cents this item the Commissioners as
well undertake to report no admit, but leave it to stand as a
legal question on its own merits. Observing at the same time
they have no doubt the Executor, believed he was doing right
when he paid the money. The Commissioners further state that
in the Bond of the above item of \$1084-12 p. being decided
against the Executor he will be entitled to come out of it for the
sum of dollars 350 for which he has credited the State in said
acct. page 2 in the following entry. Received of John Roberts which
the State is entitled to \$350 - The Executor paid the whole on
to the sheriff and this latter sum of \$350 was repaid by Roberts
as a part of his expenditures of improvements.

The Commissioners are of opinion although they think the Decree
entitled to a credit for all his bona fide disbursements for the
State, and have allowed all but they think an expression of
the Will of the Decedent. Charge that third of the State allowed to
the widow, with its equal proportion of all warlike expenses of
Boarding, schooling, and raising the children, during their man-
hood as well as all other legal and necessary expenses attending
the Execution of the Will, for the benefit of the whole.

The Commissioners Report are somewhat herein furnished by the
Jameson (now deceased) who was one of the Executors is the said State
of estates Relations deceased by which it appears the said Executor
Thomas, stands indebted in the sum of Dollars 367.66 which
in reference to said amount will more fully appear. In compliance
to that part of the order of the Court for the allowing to Mrs. Pamela
his small late Pamela's Pleased her proportion of her father's
State. The Commissioners have allowed to her (David's small late
husband) one hundred and fifty two acres of Land near the
town of Mount Sterling being that part of Nathaniel's claim
which belonged to the State. Also two hundred and ninety four

dollars being more and any more of the same of the same
make this allotment of Land equal to each of the other allotments
of the mansion house tract of land, which part is the other two allot-
ments and for which term we assign the Executor John Jameson
in his acct. The Commissioners further allotted to Pamela's small (David
small) the following Slaves, (sent, Charles, Aggy, Tom, Robert, the
Betty, Amy and James, to the number of eight negroes estimated
to be worth at the date of the allotment (December 1818)
Three thousand four hundred and 50 dollars, the Commissioners
have not made any other Division or allotment of State
Slaves as to the gift in the hands of the Executors which
will be a work of some time and difficulty owing to the law under
in which the State has been involved and the means by which
the acct. have been kept and guaranteed. There are also some Lands
on State Creek belonging to the State of which the Commis-
sioners know nothing definite and have not noticed there
being still as they are informed some disputes in Title, all
of which accordingly submitted Montgomery County October 8th 1824
