The foregoing Last Will and Testament of Milton Taylor deceased, was at this term of said Court duly proven, and ordered to be probated and record, which is now done. Witness my hand, this 6th day of May 1889.

T. J. Smith, Clerk

Knowing the uncertainty of life, my advanced age, and the recent changes in my family affairs, I have concluded to make this as my last Will hereby revoking all others. Item 1st I give to my wife Kitty my present dwelling house and Lot and Stable and pasture Lots, to be held by her during her natural life - also all my house hold and kitchen furniture to be held in the same way, and also one third of the rents received from the Taylor Coal mining company, or any other company working the same mines. Item 2nd All the balance of my property of every description, I will to my executors to be held in trust, for the following purposes. To sell all the personal and perishable property, and the money and for payments of debts if any, and funeral expenses. To rent any of my property or coal lands, on such terms as they may deem best, to collect any sums coming to me, from any source, and pay any expenses for schooling or clothing my two grand children, and my step daughter Mary Ellen Tribble charging each with the amount so expended - and should I have any children by my present wife - I wish them attended to in the same way. Item 3rd I desire that my executors if they can do it from the income arising from my estate to pay my blind Niece Eliza Davis the sum of Two hundred Dollars (\$200) annually out of my estate during her life. Item 4th on the arrival at full age of all my children should I have any by my second wife I desire that my property be divided among them as follows: My own children to have full shares and my grand children and adopted daughter Mary Ellen Tribble have half shares but having given my son Thomas a lease for life of certain lands as his share of my estate he is not to have any share in the balance of my estate unless he brings those lands into the division and all my personal estate so divided is to vest in my children and grand children, and adopted daughter, as stated above for and during their natural lives - and then pass in fee simple to the heirs of those who die leaving issue. Item 5th I wish my wife to have all the books she brought with her and such as she may want of mine, and the Library kept whole so long as my children or grand children are living in the house. I appoint my wife Kitty and my friends N. D.

McHenry & J. N. Lewis Executors and Executrix of my will and also my grand Son Harrison P. Taylor to act as one also on his arrival at 18 years of age if he is of sober and discreet habits, and otherwise them to compromise and settle any controversy or disputes that may arise, a Majority of those living and qualifying having power to act. Signed by me this 9th June 1874.

H. D. Taylor.

Fearing that the company to whom I leased my coal mines will not pay as much as I anticipated when I made my will dated 9th June 1874. I annex this Codicil, and authorize and direct my executors to secure to my wife a yearly income of at least six hundred dollars in money, and also to pay her a note of (\$552) Five hundred and fifty two dollars, which note I gave her for borrowed money. It is also my desire, that she have my horse and buggy my stock which she may desire to keep, and as it may require more means than my personal estate. I hereby authorize my executors to sell any of my lands, they may deem proper, and on such price as they deem best. It is also my wish that my wife Kitty and my grand Son Harrison be allowed to qualify as executors and Executor without giving bond, but that they act under the advice and approval of my other executors. Having found it necessary to become the Guardian of two grand children Harrison & Mary and not having made any charges against them and not expecting to keep any accounts with them, but expecting to expend their estate for their benefit. I instruct my executors that if they should bring any claims against me as Guardian, that the amount be deducted out of their share of my estate, unless I shall have left the amount in notes or other funds specially designating that it belongs to them as my wards, in which event it is to be paid over to them without any deduction of their portions of my own estate.

28th May 1878.

H. D. Taylor.

I Harrison D. Taylor do make the following as an additional Codicil to my will dated June 9th 1874, and Codicil dated May 28th 1878. In the first item of said will I made this change. I give to my wife during her life one third of the income derived from royalty on coal or any of my lands; this embraces the Taylor Coal mines and any mines which may be opened, and worked upon royalty on any of my lands. And in regard to the

residence and stable lot and pasture I make this change; instead of the pasture lots I exclude a parcel of ground of the same width of the lot now owned by Harrison P. & Mary Taylor, on Mulberry Street and laying immediately back of it in what is now used as pasture and running back to within thirty feet of the town boundary, and in lieu thereof I give my wife the parcel of ground recently purchased of B. D. Mosley the same to be held by my wife for and during her life as is the residence, and the said parcel included. I hereby give to my grand daughter Mary Taylor. I desire that all the real estate devised to my wife for life shall at her death go to and vest in Thomas Taylor, H. P. Taylor, Mary Taylor and Mary E. Drible in fee simple in equal shares. In the second item I make no change further than this; my grand children Harry P. & Mary Taylor are now educated and no charge is to be made against them on that account, and no charge is to be made against Mary Ellen Drible for any such expenses heretofore incurred or which may be incurred during my life time, but after my death her education is not to be a charge upon my general estate. In regard to the 3rd item for the benefit of Eliya Davis I hereby revoke the same. There are two items numbered four in my said will and the first one so numbered I hereby revoke and substitute the following; I leave the following tracts of land divided among my grand children Harrison P. and Mary Taylor and my adopted daughter Mary Ellen Drible share and share alike viz; My farm on the North side of Rough Creek near Hartford containing about 250 acres my Howell tract of land lying on the South side of Rough Creek near its mouth containing about 700 or 800 acres; the tract of land bought of Samuel Houston containing about 175 acres and laying about five miles East of Hartford; The tract known as the Forbes tract adjacent to the Houston tract and containing about 100 acres the Crow tract lying South East of Milton Taylor's and containing about 350 acres and embracing 50 acres adjacent, the same conveyed to me by John A. McHenry, and also a small slip of land called the Bell place and adjoining the Crow tract on the North West side. The tract of land lying on the Rail Road about a half mile above Beaver Dam and containing about 300 acres; The Wm Taylor place or tract lying in the old Morgantown Road and containing about 250 acres and the tract in which Francis Sanders now lives adjoining the Wm Taylor tract, and containing 300 or 400 acres. The above named lands are bequeathed to the said Harry P. Mary and Mary Ellen to hold in fee simple, title, except that the shares of Mary Taylor and Mary Ellen Drible are to be held by them as separate estates and free from the control of

any husband, any or either of them may have. - The above is to be in lieu of said 4th item, and my son Thomas Taylor is to hold the land leased to him and not have the right to bring it into division. In regard to all of my coal lands including the Taylor Coal Co. land I desire that none of the same be sold against the wishes of any one interested but I direct that they be held and worked on royalty, and after my wife shall receive her one third of proceeds as provided in this Codicil, I desire that the balance of the income divided into four equal parts and that Harry P. Taylor have one part, Mary Taylor have one part, Mary Ellen Tribble one part and Thomas Taylor and Eliza Davis one part jointly, the survivor of the two last named, to have the whole of said share upon the death of either, and upon the death of my wife, the whole of the income from said source to go as above directed, but the interest of my son Thomas Taylor is not to be sold or the income anticipated by him. There is a parcel of land I conveyed to my son Randall D. Taylor and which at his death reverted to me, lying back of the residence now owned and occupied by Mrs Lucy Collins, and part of the said lot is now enclosed by her and I hereby give all that part so enclosed to said to said Mrs Collins to be held by her during her life and at her death to go to her son Randall Collins in fee simple. In regard to the first Codicil to my will, the same is hereby revoked and annulled except as follows. The latter part of same in regard to the Guardianship of Harry P. and Mary E. Taylor is to stand as therein provided, but there are some uncollected notes in my hands or in the hands of Mary as Guardian and all that may hereafter be collected on said notes is to go to Mary, Harry having received his share from that source. In regard to the \$552 - which is referred to the same is untraced in an investment I made for my wife in the purchase of two Mortgage notes of \$500. each on the Rensselaer Coal Company now held by her and said notes or any reinvestment of the proceeds thereof is to be regarded as the property of my wife and held by her and my estate is not to have any interest in same. I hereby appoint Henry D. McNairy, and Harrison P. Taylor Executors, and my wife Kitty A. Taylor Executrix of my last will and testament and in case there should be any difference in the management and settlement of my estate among my executors & executrix, I hereby appoint my friends Samuel E. Hill, Samuel R. Cox and Elijah D. Williams as umpires or referees to settle any controversy that may arise, and their decision is to be final and conclusive. I hereby direct my executors to cause an iron railing to be put around the graves of

myself and my family and to have suitable grave stones to be erected over my grave. In the event that Mary Ellen Tribble shall die without leaving issue of her body as heirs, then I leave all property devised to her by this will to revert to my heirs. As to my personal property I desire, after my debts and funeral expenses are paid, that my wife shall have one third of it, Thomas Taylor one third to be held by my executors and expended for his use and benefit, and the other third divided equally between Harry P. Taylor, Mary E. Taylor and Mary Ellen Tribble. I have heretofore conveyed by deed of lease to my son Thomas Taylor certain lands to be held by him during life, I now change said conveyance so far as I am authorized to do, as follows: The said Thomas is to have the use and benefit of said lands during his life and at his death the same is to go to his heirs, but in the event it should be to his interest to have the same or any part thereof sold, then I authorize my executors or such of them as may be surviving, to join with him in a sale and conveyance of the same and direct the proceeds in other property to be put in the hands of a Trustee for the use and benefit of the said Thomas. On the second page of this will the name of Thomas Taylor has been interlined. Given under my hand, this the 24th day of June 1882.
