 Amounting in all to one thousand forty one dollar ninety nine cents and nine mills. It also appears from an attested copy from Clerk's Office of Shelby County Court of a division or apportionment of the aforesaid estate by commissioners that James Walker was entitled to three hundred eighty nine dollars and sixtyn cents and James Walker to the sum of six hundred twenty two dollars and fifty cents amounting to one thousand and seven dollars and sixty seven cents. Making an excess of thirty dollars thirty two cents and nine mills in favor of the executors, but this excess may arise from interest due before payment made to the Guardian which we cannot ascertain for want of papers. Given under our hands this 15th day of January 1812.
