John Jackson

Shelby County Sec

March County Court 1813

The within Inventory and account of sale for the day produced in Court and examined and approved and ordered to be recorded

At. James Craig Clerk

I John Allen of Shelby County do make this my last will and testament hereby revoking either by me heretofore made I hereby constitute and appoint my wife Jane Allen my brother-in-law William D. Hanks my brother-in-law John Lagan and my brother-in-law John Allen Executors of this my last will and testament I appoint John Allen my wife's Guardian of my Children without the necessity of giving security I promise how and where she should manage her power during a married state that each both a. Executors should so attend I have entrusted confidence in her and I am unwilling to expose the like confidence in a husband I do hereby have a right to control her in case of the death or intermarriage of my wife the Guardian of my children shall divide or sell or such of them that I may see fit in any of my children have the Guardian of my children shall manage them as he shall think proper I do hereby have plantation farming with all stock of furniture for the home use of my wife during life and of my children during her life to be divided with her I do hereby give in full of do over the House which I have commoned with my wife and children to be divided with her and children

Of my Executors my Executors shall have power to sell convey lease let take assign by compromise or otherwise all that amount both or to real estate in the same state should be found having the same place with the last known like the most valuable and convenient of my lands to be retained longest for the use of my children and to be divided among them in such manner as they shall think proper One of my buildings containing land in them, to be divided among the same place, not to be divided but to be divided into the possession of one of my children most likely to obtain it taking care that when divided should be under equal and convenient as to value taking into view also the benefit for the good of the death of my wife when such portion may pass to each child It is my wish that my children have an equal distribution and division of my estate as they be found convenient putting power in my executors to divide and divide by such and different times as they shall see fit most convenient for all proper time in the belief that my children shall have use of their several property and in the division my Executors may equalize any difference in value of real estate by giving personal estate to appropriate and a child giving apart to one child shall not necessarily require a division of the whole should my wife be with child such child shall be considered with the provision of this will and a child to be born and likely to be born the same place should like him to have a preference in getting to be divided at the division of my executors the child who shall eventually have the same place shall not be considered as excluded from other property during the life of my wife which might prove very inconvenient but my wife and my executors shall have a discretion and power to make an arrangement with the child to have a new part of the property should my wife become child and also when other property of my estate being given at proper times or times or shall be found more convenient to pay my own property in such manner as I may see fit by having the same place after the death of my wife and it is my intention that my children or any of them shall not be taken by marriage but that they shall be taken by marriage

John Allen

that in Case my wife should die and
her husband should in the Opinion of my ^{own} or such of them as shall
not be able to sue a return of dower, or make the property or ill
from the slave that instead Case he shall for all claim thereto and
my wife have the same and appropriate the proceeds to the
use of my wife exclusive of the said ^{husband} and to the use of my children
in life Case may be so as best to effectuate the object and
intention of this Will which is to do the best for my wife
during an a child's time and then property from injury
