The Commissioners are directed by the order of said Court to settle the accounts of Mr^{rs} Wake now Mr^{rs} Shrieves administratrix of the late John Wake decd the admin^r has produced to us no accounts and we the undersigned commissioners deem it unnecessary to call on the admin^r for an account in favour of the estate as it appears that ever since the death of her said late husband she has supported the family both white and black, most of the negroes are women and children and consequently would produce but little, and we are further of opinion that the

but of the negroes that might or may here be sold out would not raise a sum more than sufficient to support and educate said family. therefore we submit to the worshipping court this report without further comment, leaving it to their discretion to make such order herein as they may direct or deem proper.
