

Be this my first and only will and testament
 I leave unto my wife Semine Redd the tract of
 land I live on during her life at her death I
 give and bequeath the said tract of land to my
 son John Redd. It is also my wish and desire
 that my wife Semine Redd should raise and edu-
 cate my two children up a genteel manner with
 the money arising from the hire of my negroes or the
 keeping them at home which she may deem the
 most profitable it is also my wish desire when my
 Daughter Patsy Redd becomes of age or married or
 when my son John becomes of age my wife Semine
 Redd should cause there to be three equal divi-
 ions of my negroes which the one is marrying or
 becomes of age may draw for her or his part also
 in the like manner when the second should become
 of age it is also my wish after the first part
 is so drawn for the other two parts should be put
 in one common stock till the second comes of age
 and then in like manner divide the said negroes
 again in two parts the one of which my wife Se-
 mine Redd has during her life at her death
 to be equally divided between the said two chil-
 dren Patsy and John Redd. I give and bequeath
 unto my wife Semine Redd forever all my stock of
 horses cattle sheep and hogs also all my household
 and kitchen furniture also all my farming utensils of
 every description also I give unto my wife Semine Redd
 a certain portion of property that falls to me at my
 mother's death out of which property or money and the
 personal property which I wish my wife Semine Redd
 to make Patsy Redd nearly or to equal John Redd
 in wealth as she conveniently can. Now be it

th fairly understood that if my two children Patsy Redd
 and John Redd should die before they become of age
 or not leaving a lawful heir or heirs of her or his body
 that the whole of the foregoing named property toll
 land and negroes shall be entirely inherited by my
 wife Semine Redd without any kind of reserve
 whatsoever this first day of November 1872
 attested
 Th Bullock Jonathan Gray } Thomas Redd
 Thos Coleman }
