Richard Sr. and his son, Richard Jr. booked passage out of the port of London 7/4/1635, Richard Sr. travelling onboard the ship "Merchants Hope," and Richard Jr., age 17, onboard the ship, "Transport." Destinations: Virginia. This places the date of birth of Richard Anderson as 1585. He m. 12/20/1611 Elizabeth Hawkins, the dau. of William Hawkins, decd. A Monograph of the Andersons, Clark, Marshall and McArthur Connection by Thomas McArthur Anderson (1899): "Ten years before this date (1635) Thomas and John Anderson, two Englishmen, came to Jamestown in the ship, Bonaventure. The next year there came Richard Anderson, aged 50, in the ship, Merchant Hope. He was probably the father of Thomas and John, as Richard has been a family name in this branch ever since...The tradition that the founder of the family was Thomas Anderson of Northumberland, England, who settled as a shipwright at Gloucester Point comes from History of Virginia Andersons published in Richmond in 1881 by Mr. Brock....I received my opinion from a Colonel Robert Waller, ... he told me that in his student days he had gone to William and Mary College with a relative of mine and that he had long been familiar with our family history. He said that the first Virginia Anderson was a shipwright at Gloucester Point. About the same time, General William Tolliefferro pointed out a place on the west shore of the Chesapeake which he said had been the first home of the Andersons." Therefore, while John Anderson lived in York Co., Thomas Anderson lived at Gloucester Point, across the York River

from York Co., Virginia. The Point is across from Yorktown. Richard Anderson, Jr., of course, lived in York and Gloucester Co.'s, also, across the York River from New Kent Co., where the former's son, Robert Anderson, died.

made in New Kent County to Cornelius Daubney, Stephen Tarlton, Robert Anderson, John Fleming, Peter Massie, and Moses Davis, Jurors, 2721 tobacco lbs.'" (Journal of House of Burgesses of Virginia 1659, 1660-1693, p. 180). The Land Office, Deed Bk 7, p. 272, shows a deed granting 727 acres in New Kent Co., Va. for importation of 15 persons, to Robert Anderson. The parish book of New Kent Co. shows that he was a vestryman at St. Peter's Church from 11/1686 until parish of St. Paul was formed in 1704, in which latter place he remained a vestryman until time of his death, in 1712, aged 72 yrs. On the same date, he received 1200 acres for the importation of 24 persons. In 1702 he appeared as Robert, Jr., vestryman of St. Peter's Parish, New Kent Co., Va.
