

QUAKERS IN NORTH CAROLINA

- Contributed by Caroline Crabtree, 633 South 19th St., Richmond, Ind. 47374, who says, "I like to read about the Quakers although I have yet to find a Quaker ancestor of my own." She submits this list as a gem for tracing migrations to Randolph County, North Carolina, and mentions that the North Carolina Quakers played an important part in the settling of her hometown of Richmond, Indiana, where Earlham College with a fine Quaker Archives is located.
