Cannell County September 9th 1791. Agreeable to an order of July Court 1791 we have met & viewed the Estate of Elizabeth Harslow Dec^d as above stated and find the Ballance as above stated. We also report that having examined the old Books, papers &c. of Elizabeth Harslow Estate find it impracticable to enter into that business as it appears there are not vouchers or receipts for proceedings to be had on the matter. Given under Our hands the day & year above.
