State of Alabama } In the name of God amen - I Murdock Mur-
Clarke County } phy of the State and County aforesaid being sen-
ble of the uncertainty of life, and wishing to distribute the earthly goods
which God has given me in such a way as to do justice to my family &
want any inconvenience which might arise in consequence of
making any definite distribution of them, I do make and
give this to be my last will and Testament, revoking all others here-
before made - And first, it is my will and desire, that after all
my just debts are discharged the residue of my property both real &
personal shall be divided share and share alike between my beloved
wife Caroline Murphy and my two sons Neill Murphy and John
Hamilton Murphy and should there be any posthumous child or
children that they should have an equal share in such distribution

have my house and the land upon which it is situated during her natural
life for her accommodation and that of her children and then to be divi-
ded equally between all her children including any which she may have
by a subsequent marriage - It is my will and desire that the property be
kept together until the marriage of my said wife, should that event happen
or until the elder of my sons becomes of age, the one or the other to be at
the discretion of my Executors hereinafter appointed
It is my will and desire that the amount which I owe my beloved Son
John Murphy shall be paid yearly as my Estate may be able, according
to a settlement entered into between us bearing date with the execution
of this Will, and which is considered as full and equitable settlement
of our affairs - It is my will and desire that my brother John should
have as much of quarter Section on which my house is building as is
at present included in his fence and that the same may be laid
off as soon as convenient - It is my will and desire that this my
last will and testament may be executed by my beloved wife Caroline
Neill Murphy, or by as many of them as may from time to time
think it necessary or expedient to qualify - With these arrangements
I commit my family to the merciful Providence of God, who has fed
myself with mercies and judgments all my life long, and into whose
gracious hands I humbly and confidently commit all those dear to
me whom I may leave behind me in the World - Given under

Levi H. Beckham's Last Will and Testament

In the name of God I, Levi Beckham of sound mind and memory the weak in body and knowing that I have to die, do make and constitute this my last Will and Testament.

After my decease I wish my body committed to the dust from whence I came, and my spirit to God who gave it.

I do appoint my father John Beckham and my brother Melvin Beckham to be the sole Executors of this my last will and testament.

I do appoint my brother Melvin Beckham to be the guardian of my child Ginnat to have the custody of the child and its property, and to have the absolute control of its nurture and education.

I do hereby empower my Executors to sell all my personal Estate comprising stock household and kitchen furniture plantation tools and negroes and after the payment of all my just debts I do give and bequeath the one half all my Estate to my child Ginnat.

I do give and bequeath unto my beloved wife Elizabeth Beckham the one half of all my Estate both real and personal I have and enjoy for and during the term of her natural life and at her decease to descend to my child Ginnat.

I do wish that if my child Ginnat should decease before I have of it and body that my brother Melvin Beckham and Alvin Beckham should be its lawful heirs and that they should have its whole Estate. In testimony whereof I have hereunto set my hand and affixed my seal this the twenty third day of January in the year of our Lord and third and eighth hundred and thirty eight.
