Joseph H. Mudd
 vs
 Joel Pettit Administrator of Benjamin Parrott (Decd)
 State of Tennessee

To the honorable Judges of the Circuit Court of the fourth Judicial Circuit in said State presiding
 The petition of Joel Pettit Administrator of Benjamin Parrott deceased sheweth that Benjamin Parrott departed this life in estate in the County of Owsen in said State in February 1839 your petitioner was appointed his Administrator his State that one Joseph H. Mudd on the first day of February 1840 recovered three Judgments against him as Administrator before Thomas Butler a Justice of the peace for said County and for the sum of \$21.25 and a note dated the 1st April 1839, a copy of which is here exhibited, No. 1 as part of this petition and also for the sum of \$20.32 and a note pertaining to be dated 26th February 1839, a copy of which is exhibited No. 2 as part of this petition and also Judgments for the sum of \$62.04 and a note dated as pretended to be dated the 10th Jan. 1839, which is also here exhibited No. 3 as part of this petition. Your petitioner states that at the time the Judgments were rendered although he strongly suspected that they were unjust he was prevented by Mudd he could show the fact but he states the setting of the last Circuit Court for Owsen County he has been satisfied that said Judgments are unjust he states that he is now informed and believes that said Mudd called on said Parrott and showed him to settle as acknowledged the Justice of said Court Parrott thus being at the point of death and died in a few days afterwards Parrott told Mudd that the note was either paid or forged and would not have nothing to do with them he states that note exhibited No. 2 has been forged as he believes by changing the date from

1830 to 1839 he has been the note suspected by good Judges who concern with him in that opinion that he discovered since the last Circuit Court No. 3 the said Mudd through design as he believes blotched out the date and then made an affidavit that said note was dated as before stated these facts he thinks he can make manifest so that said Mudd as he vainly believes could make a forgery on this last note also these circumstances convince your petitioner that all of these Judgments are wrong and another respectful petition is informed and believes that said Mudd has been long in the habit of passing fraudulent claims against the estate of persons who have died hereunder stands this to be the general reputation of said Mudd and he cannot consistently with a sense of duty to a family of orphan children who are left of both father & mother permit said Mudd by fraud and forgery to make his being upon the hard easing of the dead. Your petitioner believes that it will be apparent upon the foregoing note No. 2, that the figure eight has been turned into the figure nine. Your petitioner states that he attended the trial and insisted that he had fully administered and the fact was so found and decided by the Justice of the peace but he states that said Mudd now threatens to take out execution against him in fifteen persons and he fears will do so. Your petitioner states that he was ignorant and in law matters having but little experience, the same he did not appeal was that he did not know of the facts which constitute his defense until it was too late and until since the said Term of the Circuit Court of Owsen County he prayed Mudd of Owsen and Superceas to the end that said Judgments may be brought up to the Circuit Court of said County that Justice may be done this is the first application for Certiorari and Superceas in said County in these cases.

State of Tennessee } Joel Pettit, petitioner in the foregoing
 Jackson County } petition made oath before me in due form of law that the statements therein made as of his own knowledge are true and those made as an information he believes to be true and he so subscribed his name in presence this 23rd July 1840. Joel Pettit

Subscribed these Judges &c.
 The Clerk of the Circuit Court of Owsen County will spread out of Owsen and Superceas agreeable to the prayer of the foregoing petition. Given under my hand this 23rd July 1840. Abner M. Judge & Clerk of Court
 I do 23rd July 1840. Hal Maxwell Clerk
