

That about a Month past being in my Master's house at Robert Milner's back in the street of London I saw Robert Milner, John Bayly & Henry Sadler at which time and place the above named persons proposed to go to the declaration for to consent with them for to be taken away and for their better escape to take my Master's Sloop: go to the declaration being concerned thereabout, Mary Warren being for to take the Sloop: in order to provide a question for their accommodation in our intended escape. And further off I do declare that that the above named persons saying to go to the declaration that John Huchinson & Wm Warren & Capt. Hills were so about and promising a woman in order to Capt. John West were for to go with them, and also: of the declaration that Robert Milner say that it would have with the above named persons and they proposed for to marry with us for our delivery: & about a week past go to the declaration being in the woods where Lawrence Gary Robert Milner Henry Sadler were all together Henry Sadler confessed he had been in my Master's house and got a bottle of brandy & of the bottle he put out of his pocket and was all drunk: it in the woods: All most of the above named persons that were in the woods house did say that one of the above named persons with a Dutchman's wife was to be run by a boat for to go to England, & of the declaration that by the instigation of Lawrence Gary Robert Milner & of the declaration that my Master's house on Thursday night, being disturbed by Lawrence Gary to the back side of the house where the brandy was broken down: go to the declaration would take the brandy & send a glass where being surprised by my Master's firing of a pistol go to the declaration & when my Master shot out of the door go to the declaration would be to Henry & when being round with others in a small house walking by and down in the declaration & when saying we shall be loose again or whereby to go to the declaration
