I Henry Compton Widen of Henry Compton late of Alexandria, dec^d being now sick but of sound and disposing mind, do make and ordain this my last Will and Testament.

I give to my son William the following negro slaves to wit Mary Frank Race & Lucy and to my son Thomas my negroes Esmond, Vernon, Mary, and Henrys infant child.

In case Henry should have other children I request that they may be equally divided between my above mentioned children and I require nothing more from Henry than a due and careful attention to my said children until they shall respectively attain the age of twenty one.

I give my negro Thomas to my Brother and if he should insist upon paying a value for him I request he may free the value himself and divide it between my above mentioned children.

My son Henry being amply provided for I have thought it unnecessary to make any bequest to him. I recommend to his care and attention his infant Brothers above mentioned, trusting that he will act the part of a kind brother by them, and will afford them all the assistance in his power as well in obtaining their education as in their further pursuits of life.

In Witness I have hereunto set my hand & seal this twenty seventh Nov 1821
