

And if both my Executors should die before all the said Children should be of age, then I request the Judge of the Orphans Court to appoint a Guardian or Guardians for them to see that the Children be carefully educated and maintained out of the funds left them.

If unfortunately any dispute shall arise respecting the meaning of any part of this will from the want of cleanness of expression, my will is that such dispute be referred to two Arbitrators one to be chosen by my Executors and one by such of the legatees as shall be dissatisfied which Arbitrators in case of disagreement shall choose a third and the award of any two of them shall be as valid and binding on the parties as a decree rendered in court and should any of the legatees refuse to abide by such award

I hereby declare the person or persons so refusing shall hereby forfeit and lose all claim to the property and benefit devised by this will which devises or devises shall go to those legatees (meaning my grandchildren) who shall be content and their heirs: but should all my grandchildren refuse to acquiesce in such award, I then will and order that all the property herein devised to them be given equally to Moses, Letty and Juliana Eliza and their heirs.

In Testimony of which I have hereunto set my hand and seal this twenty eighth day of February in the year of our Lord eighteen hundred and seven-
