I do for conveying the property so sold to the purchaser or purchasers thereof
Whereas a partnership at this time subsists between James Sanders and me the
said Benjamin Shreve, the stock composing our Capital at present consisting
of certain Lots and Houses in the Town of Alexandria, & parts of Lots
of various descriptions, Goods Wares and Merchandizes of different kinds, Country
Products and outstanding debts. It is my will and desire in case the said part-
nership be existing at the time of my death, that the transactions thereof be brought
to a speedy close as the nature of them will admit of, and for that end and pur-
pose it is my will and desire that all Lots in which we are interested may
as soon as they come into port after my death, be sold and all the Goods, wares
and Merchandizes and products of every kind be immediately thereafter sold
and that the claims against the Company be satisfied and paid thereby
but if the Sales of these articles and the debts due to the Company shall not
prove sufficient to discharge the debts owing to the Company, then it is my
will and desire that so much of the Real Estate held jointly by the said

and in case there be necessity for selling the said real Estate, I do hereby authorize and empower my Executors herein after named or such of them as may act or the Survivors or Survivor of such acting Executors to join in the execution of any Deed or Deeds for conveying the property so sold to the purchasers or purchasers thereof, but in case the personal property belonging to the Company shall be and sufficient to pay the Debts owing by the Company, then it is my request and I do direct that a partition of the Real Estate held jointly by the said James Lawason and myself be made immediately after such Sale which partition I do hereby authorize and empower my Executors herein after named or such of them as may act or the Survivors or Survivor of such acting Executors to make and to execute & acknowledge as proper and for that purpose.

James Lawason and me the said Benjamin Shreve be sold as will be sufficient together with the Sales of the personal property belonging to the Company and their voluntary debts to discharge the debts owing by the Company and for that end and purpose I do order and direct that my Executors herein after named or such of them as may act or the Survivors or Survivor of such acting Executors do join in the execution of any Deed or Deeds for conveying the property so sold to the purchasers or purchasers thereof, but in case the personal property belonging to the Company shall be and sufficient to pay the Debts owing by the Company, then it is my request and I do direct that a partition of the Real Estate held jointly by the said James Lawason and myself be made immediately after such Sale which partition I do hereby authorize and empower my Executors herein after named or such of them as may act or the Survivors or Survivor of such acting Executors to make and to execute & acknowledge as proper and for that purpose.

I do give and devise unto my wife Susannah Shreve and to her Heirs and assigns for ever all my Household Furniture & Kitchen Furniture of every description, whatever Silver plate I am possessed of, my Riding Boots, a Woman's Saddle and all that I own.

I do give and devise the House and Lot where I now live unto my said wife Susannah during her Natural Life.

I do give and devise unto my said wife Susannah all the Rents arising out of my Lots and Houses and also the Rents arising out of my dividends of the Lots and Houses held jointly by James Lawason and me the said Benjamin Shreve until my Eldest Son arrives to the Age of Twenty one Years, hereby charging my said wife with the Education and suitable Support of my said Children until that time, at which time the division of my Real Estate among my several Sons is to be made in the manner herein after directed and my Eldest Son to receive his proportion or dividends of

thereof upon receiving in the manner my Executors shall direct his proportion of the Annual Sum of one hundred pounds to be paid by my several Sons unto my said wife Susannah during her life when they severally take possession of their proportions of my Estate and it is my Will and desire and I do hereby give and devise unto my said wife the Rents arising out of the remainder of the Lots and Houses above mentioned, after my Eldest Son has his proportion of my Estate allotted unto him until my second Son comes of Age and so in succession until the whole of them come to the Age of Twenty one years, charging my said wife with the Education and suitable Support of my said Children until they respectively are entitled to their proportions of my Estate.

Whereas it is my intention and design to give and allow unto my wife the said Susannah the full Sum of one hundred Pounds per Annum of Virginia p^{er} Annum for her Support during Life, the payment of the same to commence at the time my Eldest Son shall be put into possession of his part or proportion of my said Estate and in proportion equal to the part which he shall then take into possession and to be increased from time to time as my several Children shall come of Age and take possession of their several proportions of my said Estate in the same ratio with the part of my Estate which they shall so be put into possession of and to be paid in such manner out of my Estate as my Executors shall conceive to be least detrimental to my Children and their Estates but at the same time secured to my said wife in such manner as to prevent any trouble or inconvenience to her in receiving it, submitting it to the Judgment of my Executors whether it may be most advisable to set apart for that purpose so much of my Estate as may be sufficient to answer the same before any partition be made thereof among my Children, or to procure the same proportions of that annuity to be secured to my said wife by a grant from the Court of the proportion of the dividend of my Estate at the time such Child is put into the possession of it.

I do give and devise all the rest and residue of my Estate Real and Personal not hereby disposed of unto my Sons, James Benjamin, James

and John their Heirs and assigns forever to be equally divided among
them by the following method that is to say within my eldest son
Isaac shall arrive to the age of Twenty years I desire and request that
my Executors or such of them as may act do appoint four Trustees
of the said Town of respectable Characters to make the partition of
my said Estate among my said Children and allot unto them
their several parts of which my eldest son is thin to take possession
of the part allotted unto him, his proportion of the Annuity payable
to my said Wife being then secured in the manner my Executors
shall Judge most advisable and as my second Son shall
attain the age of Twenty one years he to be put into the posses-
sion of the part of my Estate so allotted unto him his proportion
of the Annuity payable to my Wife being then secured in the man-
ner my Executors shall Judge most advisable.

Lastly I do nominate and appoint John Sumney, Edward
Stables and William Patton Executors of this my last will and
Testament and Guardians of my Children untill they shall severally
arrive to the Age of Twenty one years. And I do hereby revoke all
former and other wills by me heretofore made declaring this and
no other to be my true last Will and Testament. In Witness
