At a Session of the Orphans Court for the County of Alexandria in the district of Columbia the 24th day of November 1807. This account of the estate of John Dunlap deceased was returned by the acting executor, and ordered to be recorded. Test, Alex^r. Moore Reg^r

In the Name of God Amen, I William Sudwell of Greenspring in the Commonwealth of Virginia, being of sound disposing sense and memory do make public and declare this instrument or written paper to be and to contain my last will and testament hereby revoking, annulling and rendering void to all intents and purposes all former Wills or testaments by me heretofore made -
First my soul I commit to our gracious God, and heavenly Father freely and steadfastly hoping that through his infinite mercy and the precious merits of our blessed Redeemer Jesus Christ it will enter into eternal salvation.
Next I desire that my body may be committed to the Earth without any unnecessary expence near the grave of my late dear & respected father in the Church yard at James Town. The spot where I wish to be interred is designated by two flags of Sycamore on the south side of the grave of my late father.
Next my will and desire is that a neat and appropriate Tomb stone may be placed over his grave and my own, and that the Church yard in which our remains are deposited with those of our Ancestors may be forthwith enclosed with a substantial brick wall at least two bricks thick and five feet high and a neat Iron gate to be placed at the entrance. Next my will and desire is that a plain Tablet be placed over the grave of Sillab Pax my late faithful house keeper in commemoration of his fidelity and integrity. To each of the sons of the said Sillab Pax, whose names I do not at present recollect, I give and bequeath the sum of two hundred Dollars to be paid to them by my Executors hereinafter named as soon as may be after my decease: in this bequest their attention is requested.
