This is the last Will and Testament of me
Robert Milligan at present residing in the Town of Wilmington
in the State of Delaware, made the seventeenth day of June in the year of
our Lord one thousand eight hundred and six.
Considering that it will be for the benefit of my children that the property
which they are to enjoy upon my decease, as well that which they are enti-
tled to claim in right of their mother my late wife as that which they
would claim undivided, should be divided as one and not as separate
estates it is my intention to make the same distribution of the two estates
as I should have done had they been one, in order to avoid the preju-
dice to the property which would arise from separate divisions of
the two Estates - Imprimis, I give and devise to my son
George Baldwin Milligan, all my lands and Tenements

Goods and chattels comprehending all my property real or personal, situate lying and being in the state of Maryland to hold to him and to his heirs and assigns.

Item I give and bequeath to my son George, three thousand pounds, money of the state of Delaware, chargeable on the lands hereafter devised to my son John, but upon no other part of my estate.

Item I give and devise to my son John James Milligan all that plantation or tract of land, called the Hook, which lately belonged to Cantwell Jones deceased, and which I bought at Sheriffs sale, situate in Appoquinimink hundred, New Castle County, containing of upland and marsh two thousand three hundred and sixty acres more or less, to hold to my said son John his heirs and assigns, subject nevertheless and chargeable with the payment of the said said sum of three thousand pounds to my son George and interest upon the same at the rate of three per cent from my decease till the time my said son George attains his age of twenty one years, and at the rate of six per cent afterwards till the principal sum be paid but it is my will and intention that the said Tract of land shall be warranted or otherwise indemnified from or against all other charges and incumbrances otherwise than rateably with my whole estate on account of any debts due from me for which the same is liable. And Whereas I am not informed whether

the Sheriff of Newcastle county has executed a conveyance to me for the said premises, in case no deed has been made, I authorize and direct the Sheriff to execute a deed for the same to my son John and his heirs, subject to the incumbrance aforesaid. Item I give and devise to my two Daughters Catharine and Lydia all that plantation or tract of land situated in St. Georges hundred, in the County aforesaid, at present leased to and in the occupation of Richard Mansfield, containing nine hundred acres more or less, parcel whereof to wit, three hundred and twenty acres I bought of Cantwell Jones deceased and the residue whereof I hold as tenant by the custody in right of my late wife Sarah, to have and to hold the said tract of land and appurtenances to my said daughters their heirs and assigns as tenants in common.

Item I give and devise to my said daughters Catharine and Lydia all that plantation or tract of land, situate in St. Georges hundred aforesaid at present leased to and in the occupation of Hezekiah Copier, containing 1426 acres more or less, parcel whereof to wit, one hundred and twenty six acres I bought of John Mlston, the residue whereof I hold as tenant by the custody aforesaid - to have and to hold the said tract of land and the appurtenances to my said daughters their heirs and assigns as tenants in common.

Item I give and devise to my said daughters Catharine and Lydia all that tract or parcel of land called the silcock run meadows, situate in St. Georges hundred aforesaid, containing Eighty acres more or less which I hold as tenant by the custody aforesaid to have and to hold the same to my said daughters their heirs and assigns as tenants in common.

Item I give and bequeath to my said daughters Catharine & Lydia all the farming utensils, slaves and stock whatsoever belonging to me, and which shall be at the time of my decease on the aforesaid farms devised to them, described as at present in the possession of Richard Mansfield and Hezekiah Copier to be equally divided between them - and in like manner I bequeath to them all my plate, excepting a coffee pot hereafter given to my sister.

Item I give and devise all that tract of land called Michay wood, situate in appoquinimink hundred, aforesaid, to my sister Catharine Willigan who is appointed my Executrix, and to her heirs, in trust nevertheless, to sell the said tract of land & to apply the money arising from the sale in aid of other funds which may be applicable to the same object to the payment of the purchase money which may remain due on the purchase of the lands and tenements devised to my daughters Catharine and Lydia, and the surplus if any, in trust for the benefit of my personal estate. Item I give and bequeath to my sister Catharine my Coach and coach horses and all my household

not comprehending in this bequest any articles

which belonged to the late Cantwell Jones, - and also I bequeath
to her a silver coffee pot, bearing my coat of arms -

Item I nominate and appoint my sister the guardian
of all my children and do hereby grant to her full power and
authority to lease upon usual terms, and with usual covenants
the lands and tenements devised to my said children during
such period of time having relation to them respectively, as they
shall be under the age of twenty one years, and to receive the
rents and profits of the same, and to apply the said rents and
profits to the maintenance and education of my said children
and to the improvement of their respective lands and tenements
or otherwise to invest in suitable funds the surplus of the
rents and profits after defraying the expence of maintenance
and education as she in her discretion shall deem proper, and
in compensation of service as guardian, and in lieu of com-
-missions I give and bequeath to my said sister the sum of five
hundred dollars yearly, till my son George attains his age of
Twenty one years. The said annuity then to abate one hundred
and twenty five dollars, and to abate the like sum as my
younger children successively attain their age of twenty one
years. And I do hereby authorize and direct my said sister
to retain the sum of one hundred and twenty five dollars out
of the rents and profits of the lands which shall belong to each
of my said children during their respective minorities -

Item I give bequeath and devise all and singular the residue

10
of my estate real and personal to my said four children and
their heirs to be equally divided between them share and share
alike, to hold as Tenants in common.

Item, Whereas in order to make a division of all
the estate to which my said children would have been entitled
upon my decease as well the lands and tenements which they might
claim as their inheritance from their mother as those which they
might have claimed is such from me in case of intestacy in a
manner which an equal affection for my said children has dicta-
ted as most advantageous and suitable for them, I have undertaken
to allot and devise the lands which I hold as tenant by the entirety
in right of my late wife, and as it is necessary that the said devises
should be ratified by my said children, when they attain their full
age, otherwise the distribution of my free property will not be according
to my intention, I do therefore request and enjoin it on my two sons
as they respectively attain the age of twenty one years, to release and
convey to their two sisters, according to the intention of this my will
all their right title and Estate to all and every part of the
premises of the inheritance from their mother, which by my will
I have allotted and devised to my said daughters; and in case
my said sons shall refuse upon request made after they shall
attain their full age respectively to make such release and convey-
ance, upon the event of such refusal, I do hereby revoke the devises
to them respectively made, and do give and devise the lands,
tenements and Estate of the said son so refusing given to him by this my
will to my said daughters and their heirs; to hold as tenants
in common. And in like manner I request and enjoin it on
my son George and upon my two Daughters as they respectively

attain their full age, to release and convey to my son John, according to the intention of this my will, all their right, title and estate in and to all and every part of the tract of plantation hereby devised to him, which they can in any manner claim as of the inheritance of their mother, and in case my said son George and Daughters shall refuse upon request made after they shall attain their full age respectively to make such release and conveyance, upon the event of such refusal I do hereby revoke the devises to them respectively made and do give and devise the lands, tenements and estate of the child so refusing given to him or her by this my will to my said John his heirs and assigns.

Lastly I do hereby nominate constitute and appoint my sister Catharine the executrix of this my last will Testament and do hereby revoke and annul all last wills and Testaments by me heretofore made. In Testimony whereof I have hereunto set my hand and seal the day and year above written.

The foregoing instrument of writing contained Robt. Milligan on six sides of paper was published and declared by the said Testator Robert Milligan as his last will and Testament and by him sealed and delivered as such in our presence who have hereunto subscribed our names as witnesses thereof in his presence and in the presence of each other.

J. A. Bayard, O. Morsey, Louis M. Lane
Newcastle County, L^e

Before me personally appeared James A. Bayard and Catherine Morsey Esq^{rs} and Louis M. Lane the three subscribing witnesses to the foregoing will, and being solemnly sworn, did severally say, that they saw Robert Milligan Esquire the

Testator sign and seal the foregoing instrument of writing, and heard him publish pronounce and declare the same as and for his last will and Testament, that at the time of his so doing he was to the best of their belief of sound and disposing ^{mind and} memory, that it was at the request and in presence of said Testator, and in presence of each other they subscribed their names as witnesses thereto. In Testimony whereof I have hereunto set my hands the 17th day of December A^D 1806.

Nehemiah Tilton Reg^r

I do hereby add this codicil to my last will lately written by J. A. Bayard Esq^r. Whereas the real and personal estate disposed of in my said will yields and income of four thousand dollars a year. And Whereas, it is my wish that my children may live not only under the guardianship, but in the house with their aunt, and it would be better that their board should be ascertained by myself. It is my will that instead of the sum of five hundred Dollars reserved to my sister in the above will, for management of the Estate she receive from the estate the annual sum of fifteen hundred dollars in full, not only for management as expressed in the will but for board of the girls and John who will probably live with her. George's education naturally placing him at College. This sum is to abate in the manner expressed in the will as to the 500 dollars, that is on their arrival at age. On the arrival to age of all my children or my sister being still unmarried, I require that he the annual sum of three hundred dollars during her celibacy, from the said date of their arrival at age of the youngest of the children. These provisions respecting my

sister, will strike my children as peculiar proper when they reflect on the great advantages they will derive from living with their aunt, and the heavy expenses she will by that means on their account be subjected to. I give to my son George my gold repeating watch, which belonged to his uncle; - I give to John James Milligan my own gold watch. I give to my dear Daughter Kitty the gold watch of her blessed mother. I give to my dear Liza one hundred and twenty dollars to buy herself such a watch as pleases herself. I do hereby manumit Abigail and Nestor at the expiration of one year from my death, their service in the mean time to belong to my sister. I do manumit little black Bet, at the expiration of seven years from my death. I do leave to J. A. Bayard Esq. a handsome double barreled smoking gun which he will please to accept as a small testimony of my friendship. - Robt. Milligan

Newcastle County ss.
