Balance due the Estate		2310 79 1/2

Pursuant to an Order of the County Court of Allegheny made at the October Term 1826 directing that the assets of James L. Woodcock Adam. do come in with the correct amount of John Lewis dec^d be referred to the Master Commissioners of the County Court of Allegheny for settlement and statement and that he make report thereof to Court.

I have met to said Woodcock in Winchester on the 10th of April 1827 and have taken the foregoing assets of the Estate which has come to the hands of said Woodcock amount to the sum of \$10474 35 as appears from the debit side of the foregoing ap^d out of which sum I find that he has paid out in discharge of claims against the Estate the sum of \$8155 16 as appears to the Credit side of the foregoing ap^d and the accompanying vouchers then required to be more fully shown which said amount of Credits taken from said amount of debits leaves a Balance in the hands of said Adam of \$2310 79 1/2 Subject to his fee for settlement as appears at the foot of the foregoing ap^d. I think it proper here to remark to the end that the Court may be enabled to fix on a proper sum on which to allow Adam Commission for his admin^r on this Estate that he ought to be allowed Commission on the sum of \$1500 more than he appears from this ap^d to have disbursed and this because the rent of the said Estate which accrued since the death

if testator says \$1300 for the year 1823 that Credit
on said Roger's apt with testator and the Balance
still remaining due from G. Adams as appears
from Voucher Number 13 that sum ^{having} therefore
having been Credit & by said Roger on his said
apt with testator ^{Account} ought to be Credit as a disbur
ment by admt and not having been noticed in
the debit or Credit side of the foregoing apt ought
consequently to be added the aforesaid Amount of
Disbursements say \$1300 ¹⁶ making together the sum
of \$9655 ¹⁶ which last aforesaid Amount I find
to be the sum which Admt is entitled to Commission
on at this stage of his Account All which I certify
and Submit to James E. Wood Jr.
Who I have here employed in stating the foregoing
apt & what is shown by having apt on it.
