Wm. H. Noble
Will

I William H. Noble of the Town of Alexandria, in the District of Columbia, do make this my last Will & Testament, hereby revoking all former Wills by me made. First, I in my Will & direction, that all my just debts be paid out of my Estate, but this provision is not to extend to debts, which are at the time of my death, barred by the Act of limitations of five years, unless my Executor shall be satisfied that they are justly due & unpaid, I am not aware that I owed any such debts, but if any such should be due (of which my Executor is to be the sole judge) she is at liberty to pay them out of my Estate. Secondly, I devise & bequeath all my Estate of whatever kind it may be, whether in possession, remainder, reversion or expectancy & whether it be real, personal, or mixed to my beloved Wife, Eliza Thacker Noble for her maintenance & support during her life & for the support, maintenance & education of our children, and her, daughter & son-in-law. Having the fullest confidence in her judgment & discretion I had not intended to impose on her any restraint, nor in any manner to limit or restrict her in the enjoyment of all my Estate, but to leave it subject to her management & control, during her life, to be used as she should think most advantageous & proper. On departing from that course I yield to her earnest suggestion, the result of her own unbiased, deliberate & voluntary opinion & will, and it is solely with a view to gratify her

that I hereby devise that in the event of her marriage, she shall be permitted to her dower & distributive share of my Estate, as she would be, had I died intestate. Thirdly, I hereby authorize & empower my said Wife, by last Will & Testament or by letter of appointment in the nature of a Will, to dispose of the whole or any part of my Estate to our Children or to any of them, in such proportions as she may think just & proper but if she die without having exercised this power then the Estate remaining undisposed of shall be equally divided amongst our Children. Provided however, that if my wife should die, after having exercised her power of appointment in favor of one or more of our Children without having fully exercised it, as to all my Estate the Child or Children who may have received a portion thereof shall, in the partition hereinafter directed to be charged with the advancement so received & shall be accountable for the same in the distribution of my Estate. The power of appointment given to my Wife, shall be construed to extend to the descendants of any of our Children who may die before her, & in the division before directed the descendants of any deceased Child or Children shall be considered as entitled to the same share, the parent or parents if living at the time of such division would have been entitled to. Fourthly, I authorize my wife to sell, dispose the words "power of" between the fifteenth & sixteenth lines from the top of this Page were interlined before signing Wm. H. Noble.

of & convey all or any part of my Estate real or personal, if it shall be necessary for the payment of my debts, or if, in her judgment, it shall best promote the interest of my Family & to make such investment of the money or property she may receive, as to her, shall seem most advisable, such investments however to be in all respects, subject to the provisions herein before contained for the disposal of my Estate. Fifthly, I direct that no appointment be made of my Estate. Sixthly, I constitute & appoint my beloved Wife, Eliza Thacker Noble sole Executor of this my Will & Guardian of our Children & desire that no security may be required, in either capacity.

The foregoing Will, written wholly in my own proper hand writing, has my name signed by myself, at the bottom or foot of each page, preceeding this clause, & at the close of the same, I will also append my signature, in testimony, that this writing contains my last Will and Testament. And I do hereby accordingly make, declare, & publish the contents of this paper, being wholly in my own proper hand writing, signed by me to be my last Will and Testament.

Signed, declared & published by me, this tenth day of February, in the year of our Lord One thousand eight hundred & forty four.

Wm. H. Noble.

Virginia,

Alexandria County Court, February 7th 1870.

A writing purporting to be the last will and testament of Wm.
