## PETERS' PILLS.

The unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unique and valuable proof that can be given, of their immense importance to the afflicted, in almost every class of disease. The number of letters received from Patients recovered through their means, is really prodigious, and the complaints which they have cured are almost as varied as the human system. But still there are some in which they are more especially beneficial than in others; and among those may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulence and Indigestion, for which they are not only a certain, but an immediate cure.

It is well known that from the disarrangement of the stomach and bowels, arises almost all the malady of the adult and declining life: that this is the foundation of flatulence, dyspepsia, indigestion, loss of appetite, nervous debility, and all the train of diseases which follow. And that those in their turn give birth to Dropsy, Liver Complaint, Consumption and habitual looseness of the bowels; and also general disorders which emmiter mature life and drag to many millions to an untimely grave.

In speaking thus, Dr. Peters arranges nothing to himself that has not been conceded by the public. He is no needy quack or unknown speculator, who comes before the world with his own herald and witness, but is placed in a responsible situation by the patronage which he has enjoyed the annals of medicine, that makes him careful to assert nothing which is not borne out by the most infallible proof, which he has promulgated respecting his Pills.

Dr. Peters is most happy to be able to attest the authority of great number of regular Physicians, that wherever his vegetable Pills have been introduced, they have almost superseded the adoption of mercurial medicines, or their peculiar acuity in sweetening the blood, and stimulating it to expel all noxious humors, and giving strength and tone to the nerves, prevents disease from acquiring that strength which must be got under, at all, by dangerous remedies.

Prepared by J. S. FRIESTLY PETERS, M. D. No. 129 Liberty Street, New York. Each box contains 40 Pills. Price 50 cents. **E. BERKELEY & Co.** Staunton, Oct. 25, 1838—ret. 17.

## TO THE PUBLIC.

As a number of persons have been misinformed touching the price of Peters' Vegetable Anti-Bilious Pills, when purchased at his principal office, 129 Liberty Street, N. Y., he feels called upon to make a public statement of his arrangement in relation to this matter.

From this date the cash price will be Forty two dollars per gross, payable in bills current in the city of N. York; and no quantity under a gross will on any pretence, be sold under the retail price of Fifty Cents a Box.

Merchants ordering these Pills from the proprietor, or New York Druggists, on T. M. will be charged Four Dollars per dozen.

The proprietor requests attention to this advertisement, as the immense demand for his Pills makes it necessary that his business operation should be conducted without any loss of time which would result from a variety of prices.

This arrangement is for New York Dealers, as well as those who reside in other places. **JOS. PRIESTLY PETERS**, Oct. 25, 1838.

## PUBLIC SALE.

From 40 to 50 head of good young SHEEP, will be sold on the fourth Monday of this month. The sale will take place in the meadow formerly owned by Jacob Peck, dec'd., near the Tan Yard. A liberal credit will be given. **JOHN C. BOWERS**, Staunton, Oct. 17.

A HIGHLY IMPORTANT CAUTION TO THE PUBLIC BY DR. WM. EVANS, 100 CHATHAM STREET.

Diseases general and special—"Cure ne titubet." BEWARE LEST YE STUMBLE.

DOCT. WILLIAM EVANS, 100 Chatham street, avails himself of the present occasion to tender his most unfeigned acknowledgments to the numerous members of society who (suffering under all the pains and aches that flesh is heir to,) have entrusted themselves to his care. He has the satisfaction of knowing from many living evidences, that his remedies have done their duty as far as lies within the compass of human means. How distressing to the afflicted is Dyspepsia or indigestion, poisoning all the sources of their enjoyment, and leading in many instances to the miseries of confirmed Hypochondriasis! Long as it has been the subject of inquiry by medical authors, it remains in much obscurity—Apoplexy, diseases of the Liver, Kidneys, Spleen, Stomach, and Intestines, Bladder and its appendages, Diarrhoea, Dysentery, "Cum Multis Aliis," perform parts in the drama of Morbid Affections. Dr. Evans has been singularly successful in the treatment of the above diseases, by remedies drawn from his own and the resources of the most eminent medical men in the world. He has also had vast experience and success throughout the whole family of delicate diseases, the impure tendencies of which are aggravated by and rooted in the constitution through the base conspiracies of Mercurial murderers, unprincipled, uneducated and unpracticed, in any art save that of attempting to lead the credulous victim on "the road to ruin." Dr. Evans' office, 100 Chatham street, is supplied with the choicest remedies from home and foreign markets, and compounded by a master's hand on scientific principles. A physician is always in attendance, and a private office. All those who come there in the hour of need, WILL GO OFF REJOICING.

## MORE CONCLUSIVE PROOFS

of the extraordinary efficacy of DR. WM. EVANS' celebrated CAMOMILE and APERIENT ANTIBILIOUS PILLS, in alleviating afflicted mankind.—Mr. Robert Cameron, 101 Bowery, Disease, Chronic Dysentery, or Bloody Flux. Symptoms, unusual flatulency in the bowels, severe griping, frequent inclination to go to stool, tenesmus, loss of appetite, nausea, vomiting, frequency of pulse, and a frequent discharge of a peculiarly foetid matter, mixed with blood, great debility, sense of burning heat, with an intolerable bearing down of the parts. Mr. Cameron is enjoying perfect health, and returned his sincere thanks for the extraordinary benefit he had received.

Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines.—**DYSPEPSIA, TEN YEARS' STANDING.**—Mr. J. McKenzie, 176 Stanton street was afflicted with the above complaint for 10 years which incapacitated him
