

lic. From Tennessee—Arkansas—Louisiana—Mississippi—Alabama—Georgia, and S. Carolina—delegations came, fewer in number than from the more contiguous States, but all animated by that feeling of a common enthusiasm which constitutes a bond of brotherhood between Whigs in all quarters of the Union—and prepared to join with their brethren in the solemn pledge about to be entered into before the eyes of the whole country.—North Carolina, eager to vindicate her claim once more to the glory of being a Whig State, and to give a token of the spirit with which her name will be redeemed next fall, poured forth a powerful detachment of her chosen youth; while the Old Dominion, from the wide extent of her territories—from highlands and lowlands—gave up her noble sons, who came with the song of Virginia's deliverance on their lips, to receive in turn congratulatory shouts from the congregation of their countrymen. The delegation from Virginia was estimated at fifteen hundred strong. Delaware, as in the days of the Revolution, marched gallantly to the rendezvous, and once more the Delaware and Maryland lines stood side by side, united in a common cause. Our neighbors from the District were with us, too, in great force.

How strong must be that feeling of enthusiasm which thus drew together from such remote points such a multitude of men—of all tempers, habits, pursuits—various in their local peculiarities, and diverse in their opinions on different matters—summoning each from his individual business—some from the plough, others from the shop, the counting-house, the office—and all at a sacrifice of personal convenience—how deep and strong, we repeat, must be that feeling which could thus bring together so many men from such different and distant quarters, and cause them when assembled in one body to hail each other as brethren, to plight with hearty good will the mutual hand of fellowship, and to blend all thoughts and feelings in harmony on the great subject which they met to consider! Not a district of this great Republic was without its delegates. Representatives were from beyond the Mississippi—from the borders of the great Lakes—from the shores of the Gulf of Mexico. The sons of the Puritans met with the descendants of the Cavaliers—the Western Buckeye was seen side by side with the palmetto of the South—the dweller on the sea-shore saluted the hardy mountaineer. There was a general commingling of hearts and voices—local prepossessions, individual preferences, every thing that might withdraw the mind from the one great purpose of the meeting, were set aside, in order that one undivided, deep felt and universal feeling of opposition to the party in power might have a hearty, loud, and unanimous utterance. This voice has gone forth; it will reach every corner of the land—it will roll through valleys far and near, and reverberate from mountain to mountain. It will mingle with the rushing sound of the Mississippi waters, and blend with every breeze that sweeps over the plains of the South; New England will echo back the voice which the Empire State shall prolong, and Pennsylvania take up the flying sound until the note of remonstrance and indignation shall swell into one of triumph and victorious joy.

The concentration of such a multitude from various points, it may well be supposed, created no small bustle and excitement in our city. It was like the gathering of the clans when the fiery cross sped from hill to hill among the Highlands, and every true heart responded to the summons. Estimates of expected numbers usually exaggerated in such cases, for once fell short of the reality. The Committee of Reception sat night and day with the names of Whig householders before them and found incessant employment in distributing the new comers among our hospitable citizens.

The spectacle presented by our streets yesterday morning was of the most exciting and exhilarating kind. The day before had been cloudy, and on Sunday night a heavy rain fell; but the morning of the fourth of May opened brightly, and the sun rose in a cloudless sky. From various points the delegations moved at an early hour with banners and music to take their allotted positions in west Baltimore street. Each detachment as it passed on was greeted with shouts; the windows were crowded with ladies who looked with delight upon the scene to which their own presence, with waving handkerchiefs and fluttering veils, gave a bright adornment. The marching of the innumerable divisions—the array of banners—the galloping of the marshalls to and fro, decorated with gay sashes—the sounds of music answering to music, and of shout provoking shout all imparted life and enthusiasm and gave a happy beginning to the coming pageant.

NATIONAL CONVENTION OF WHIG YOUNG MEN.

At one o'clock P. M. on Monday the 4th of May, 1840, the delegates to the National Convention of Whig Young men, convened in pursuance of the recommendation of the Harrisburg National Convention, assembled at the Canton Grounds, near the City of Baltimore, the twenty six States and the District of Columbia being represented.

The Convention was called to order by Mr. THOMPSON of Kentucky, who announced the nominations made by the Committee of Chairmen (appointed at an informal meeting of the Delegates, held at Washington Hall, in Baltimore, on the 2nd inst. for the purpose of selecting officers and preparing a series of resolutions to be submitted to the Convention) for President, Vice Presidents and Secretaries. The nominations being responded to and approved by acclamation, the Chairman introduced to the Convention JOHN V. L. McMAHON, Esq. of Baltimore, the President elect, who was thereupon conducted to the Chair by the Hon. Henry A. Wise of Virginia, and Mr. Thompson and as many Secretaries were appointed, being a delegate from each State and the District.

The President having in a brief address, returned his acknowledgments for the compliment bestowed upon him, the deliberations of the Convention were opened with prayer by the eloquent Rev. HENRY B. BASCOM, of the Methodist Episcopal Church.

The following resolutions, recommended to the adoption of the Convention by the Committee of Chairmen; were then read by Mr. Thompson of the Committee, and unanimously adopted:

Resolved, By the Convention of the Whig Young Men, assembled at Baltimore, the fourth day of May, 1840, that the nomination of WILLIAM HENRY HARRISON of Ohio for the office of President of the United States, and

of JOHN TYLER of Virginia for the office of Vice President of the United States, by the late Whig Convention at Harrisburg, is hereby cordially approved and ratified, and earnestly recommended to the support of the people of the United States.

Resolved, That to sustain the said nomination, the Young Men of the Union should unite their zeal, enthusiasm and vigor to the wisdom, experience and judgment of their seniors, and to insure its triumph and success they should immediately adopt thorough and efficient organization.

Resolved, That for that purpose it be recommended to Democratic Whigs every where, to form Democratic Tippecanoe Clubs or Harrison Associations, in the respective towns, counties and cities of the States, which shall establish and maintain an active political correspondence, and procure and circulate political information.

Resolved, That these Clubs or Associations when formed, shall select and appoint the ablest and most efficient orators to address the people on all proper occasions, as may be deemed advisable, to proclaim the truths of Republican liberty and to expose the abuses and corruptions of a spoils party which would enslave the people by an odious and insufferable Federal despotism in the form of an unchecked and unbalanced Executive, arrogantly assuming the purse, dictating laws of revenue and finance, recommending standing armies in time of peace; demolishing the co-ordinate departments of the Federal Government, proscribing individual citizens, and daringly attacking the rights and sovereignty of the States.

Resolved, That we will not yield or relax until the great work of reform and of redress of grievances be finished; and to insure perseverance to the end of this noble but arduous struggle for civil and political liberty, we will meet in our Clubs at stated times regularly—we will print and publish useful matters—we will address ourselves in every reasonable and respectful form to our fellow countrymen; and finally, we will immediately preceding the Presidential election in the Fall, at such times as the central Clubs of the respective States may appoint, assemble in State Conventions throughout the Union to consider of preparations for the coming contest.

Resolved, That to carry out these resolutions the "Republican Committee of Seventy-six," appointed by opponents of the present Administration, at public meetings in the City of Washington Feb. 15 and 18th, 1840, and the "Young Men's committee of forty-one" be and the same are hereby constituted the Central Democratic Tippecanoe Club of the Union; and the Central Whig committee of the States respectively be and they are hereby constituted the Democratic Tippecanoe clubs or Harrison associations, whose duty it shall be to correspond immediately for the formation of city, town and county clubs, and to superintend all the other interests of the great and glorious cause to which we here pledge our dearest devotion and most patriotic exertions.

Resolved, That it be recommended to each delegation to raise a free contribution of one dollar from each of its members, to support the Opposition press at the City of Washington, and generally to oppose the tyrannical tax upon the office holders of the Presidential party.

Resolved, That the fund thus raised shall be placed in the hands of the Executive Committee of Seventy-six at Washington.

Resolved, That the President of this Convention be requested to call on the several States, through their Vice Presidents, for brief statements of their present political condition and prospects.

In pursuance of the last resolution, the following gentlemen answered to the call of the States, and severally addressed the Convention on the condition and progress of public sentiment, and the prospect of the cause of HARRISON AND REFORM in their respective States:

Mr. E. Dyer, Jr. of Rhode Island, Mr. Eldridge, of Connecticut, Mr. Hopkins, of Vermont, Mr. King, of Massachusetts, Mr. Reynolds, of New York, Mr. Breedy, of Pennsylvania, Mr. Wilson, of Virginia, Mr. Edwards, of Ohio, Mr. Humes, of Tennessee, Mr. Clarke, of Missouri, Mr. Duncan, of Illinois, Mr. Southard, of New Jersey, Mr. Emory, of New Hampshire.

The call of the States was here suspended, and the Convention, by unanimous consent, adjourned to meet in Monument Square in the city of Baltimore on Tuesday at 9 o'clock A. M.

TUESDAY, MAY 5.
The Convention met according to adjournment in Monument Square. The President having resumed the call of the States, the following gentlemen addressed the Convention:

Mr. Willis, of Maine, Mr. Emory of New Hampshire, Mr. Stanley, of North Carolina, Mr. Wise and Mr. Stannard of Va., Mr. Allen, of the District of Columbia, Mr. Bryan of S. Carolina, Mr. Robertson of Georgia, Mr. Wicks-Hile, of Kentucky, Mr. Thomson of Delaware, Mr. Proffit, of Indiana, Mr. Dawson of Michigan, Mr. Graham, of Louisiana, Mr. Bradford of Maryland, Mr. Dillet, of Alabama.

During the morning session, Mr. Penrose of Pennsylvania, moved the following resolutions, which being seconded by Mr. Myers of the same State, were unanimously adopted:

Resolved, That the Delegations from each State represented in this Convention be, and they are hereby requested to raise by contribution of not exceeding one dollar for each person, a sum of money for the use of the bereaved family of Thomas H. Laughlin, carpenter of the Eighth Ward of the City of Baltimore, and a member of this Convention, who was killed in the procession of yesterday, while in the exercise of the undoubted right of freemen peaceably to assemble and deliberate upon the conduct of the officers of Government—"a right inestimable to them, and formidable to tyrants only."

Resolved, That the sum so raised be paid to the President of this Convention, to be by him applied for the relief of the widow and children of our deceased fellow member, to whom we hereby tender our condolence for his death in the glorious cause of his country.

having taken the Chair, the Committee of Chairmen of the State Delegations reported the following resolution, which was seconded and supported by Mr. TALFOURD, of Ohio, and unanimously agreed to—

Resolved, That the President be directed to transmit to Gen. WM. H. HARRISON and JOHN TYLER, the compliments of this Convention, together with a copy of its proceedings, signed by the President and Secretaries.

The Committee of Chairmen of the State Delegations also submitted the following resolutions, which were seconded by Mr. McQUEEN, of N. Carolina, and unanimously adopted by the Convention:

Resolved, That the members of this Convention entertain a most grateful sense of the generous hospitality of the citizens of Baltimore, who have, by receiving us as guests, evinced their devotion to the cause in which we are engaged, and given to the country another evidence of their enlightened and zealous patriotism; and that we shall return to our homes cheered by their confidence, and resolved individually, to imitate their patriotic example.

Resolved, That the generous liberality, the untiring devotion, and the judicious plans of the Baltimore Committee of Arrangements demand their most hearty acknowledgments.

Resolved, That the Baltimore Committee of Arrangements be and they are hereby requested to make such disposition of the list of delegates to this Convention reported at their sittings at the Eutaw House as they may deem practicable and expedient.

The President having temporarily retired from the chair, Mr. GILL of Ohio, on behalf of the Committee of Chairmen, offered the following resolution, which was adopted by acclamation:—

Resolved, That the unanimous thanks of this Convention be and they are hereby tendered to JOHN V. L. McMAHON, Esq. President of the Convention, for the prompt, dignified and successful manner in which he had presided over its deliberations.

The resolution being adopted, Mr. McMahon resumed the chair, and returned his thanks for the honor conferred on him, and then addressed the Convention *sine die*.

J. V. L. McMAHON, of Maryland, President.
J. WASHINGTON TYSON, of Penn., C. C. NORVELL, of Tenn., Principal Secretaries.

The funeral of Mr. Laughlin, who met his death during the procession in Baltimore, on the 4th inst. took place Tuesday, at 4 o'clock, P. M. The remains of the deceased were followed to the grave by the Young Men's Convention, in a body, which formed the largest funeral procession ever witnessed in Baltimore. The American says: "The Chief Marshal of the Convention, Capt. James O. Law, supported the weeping and bereaved wife of the deceased, from the carriage to the grave, where her condition was most pitiable, as she stood convulsed with an agony of grief, at her sudden and irreparable loss."

Mr. Laughlin left a wife and four children. The Massachusetts delegates alone subscribed and paid over \$1,000 for their benefit.

The Baltimore Sun says:—"As the procession was proceeding down Baltimore street, a gang of half grown boys were marching up, carrying on the top of a pole a stuffed figure, representing Gen. Harrison as stuffed here, and when they arrived near Howard street, they attempted to form in with the procession. Mr. Laughlin stepped out of the ranks with the view to stop them, when he received the blow over the head from a stick, which deprived him of life."

"We find the following in the Baltimore Republican of Wednesday morning. We suppose it hardly probable that the Teller could have been so long making his way to Vicksburg:

The Vicksburg Sentinel of the 23d April, says: "Dabney, the ascending teller of the Bank of Virginia, passed down the river on the 18th inst. on board the Great Western, having either bought or chartered the boat to enable him more rapidly to escape the pursuit of justice. The Bank of Virginia has offered three thousand dollars reward, in addition to the two hundred offered by the Governor, for his capture."

"We are informed that the Diana left Vicksburg two hours and a half before the Great Western, and that both boats were close together near Red Church, putting on all steam."

"The Great Western passed down without stopping at Vicksburg, and we are told she did not stop at Natchez."—Rich. Comp.

SELLING WHITE MEN FOR DEBT.

We understand that this thousand times refuted slander was trumped up anew at a Van Buren meeting, a week or two since, by a shameless demagogue. The castigation given below was administered some years since to persons of similar character to himself with excellent effect, and we commend it to his special attention.—Ohio paper

"We say again and again, for the information of distant readers, that the law on which General HARRISON voted had nothing to do with debts or delators. It was no part of our civil code. It related only to the punishment of scoundrels and rogues, (of like character with those who circulated this calumny,) such as break into their neighbor's houses at night to steal and plunder—such as burn haystacks, kill horses and cattle, remove landmarks, obtain money under false pretences, destroy bridges, break down tombstones, rob the graves of their dead, live in a state of fornication, assist prisoners to escape from justice, &c. It had no connexion with the debts or business of an honest man. Felons and villains alone came within its cognizance—and none but a felon's or a villain's heart could be so base as to attribute to a valiant and faithful poor old soldier, like HARRISON, a design to sell his neighbor for debt! I have no charity for such men. I can see such have seen the law, or are acquainted with the true facts of the case."

STEAM ON COMMON ROADS.—A Mr. Charles Dietz of France has succeeded in propelling carriages over common roads by means of steam. An experiment has been recently made, according to a report read in one of the French Institutes, in which two large omnibuses filled with people, were attached to a tow-carriage, and drawn for several miles at the rate of ten miles an hour. The vehicle could be guided in any direction, without disturbing the equability of its motion. Companies are forming to bring the invention into immediate use.

THE VAN BUREN CONVENTION.

This body adjourned on Wednesday the 5th inst., after having passed two resolutions—one nominating Martin Van Buren as a candidate for the Presidency at the next election—the other declaring it expedient to waive a nomination of a candidate for the Vice Presidency, leaving it to each State to make its nomination for that office. The first resolution was passed unanimously, the other gave rise to some debate. A letter from Col. R. M. Johnson was read, stating that he neither solicited a re-nomination nor declined it. Gov. Wm. Carroll of Tennessee presided, assisted by six Vice Presidents.—Auer.

NEW YORK, May 6, 1840.
To the Editors of the Whig.

Gentlemen—I have but one moment to say, that the Albany Boat has just arrived, and brings the gratifying news that the Charter Election in that city resulted yesterday in the complete success of the Whigs in every Ward in the city, and has given the Democratic Whig Candidate for Mayor, (Rathbun) upwards of 900 majority—which is at least 400 more than was calculated upon. You will have complete returns in the New York papers of to-morrow. One hundred cheers for Harrison and Reform.

OBITUARY.

Departed this life on Monday the 11th inst. in the 73d year of her age, after a tedious illness, Mrs. ANN BLACKBURN, consort and relict of the late Gen. Samuel Blackburn of this county. The deceased was remarkable for a vigorous intellect, clear perceptions and sound judgment. Prudence, therefore, characterized her course, and wisdom the arrangement and management of her concerns. Her friendships were formed with caution, and her adherence to them only equalled by the discrimination manifested in forming them. Mrs. Blackburn was, and long had been a consistent member of the Presbyterian church, and her influence and liberality will cause her loss to be deeply felt by that Christian Society in this place.—Com.
