THE subscriber is authorized to sell or rent the Tan-Yard with its appurtenances, in the Town of Staunton, and recently owned and occupied by Joseph Foutier.

The yard contains 20 VATS, and a large BARK HOUSE, CURRYING HOUSE, and the other conveniences necessary for tanning operations.

The property is well situated for business, being within 150 yards of the Court-house, and having a plentiful supply of water.

There is, probably, no better situation for carrying on the tanning business, to be found in the Valley, than is now presented in Staunton.

# Dr. Jayne's Expectorant.

This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for ASTHMA, COUGH, SPITTING OF BLOOD, HOOPING-COUGH, CROUP OR HIVES, COMSUMPTION, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, difficulty of Breathing, and every other DISEASE OF THE LUNGS AND BREAST, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of CONSUMPTION, is always cured by it. The usual symptoms of this disease (BRONCHITIS) are COUGH, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, ASTHMA, HECTIC FEVER, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the COUGH, PAIN, INFLAMMATION, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures ASTHMA—two or three large doses will cure the CROUP OR HIVES of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of HOOPING COUGH, and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "CONSUMPTION," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. PRESIDENT OF GRANVILLE COLLEGE, Ohio, says:—"He was laboring under a severe COLD, COUGH AND HOARSENESS, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dolks, of Salem, N. J., was cured of Asthma, of twenty years' standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected with a cough, hoarseness, and soreness of the lungs, and on using a bottle of this medicine, found relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va., August 27, 1838.

Dr. JAYNE—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and in all attacks of COLD, COUGHS, INFLAMMATION OF THE LUNGS, CONSUMPTION, ASTHMA, pains and weakness of the breast, is decidedly the best medicine I have ever tried. Very respectfully,

R. W. WILLIAMS, M. D.  
From the Rev. Dr. Babcock, late President of Waterville College, Maine.

"From intimate personal acquaintance with Dr. D. Jayne, a regular student of the Medical University of Pennsylvania, and an experienced, successful practitioner of medicine, I was prepared to appreciate the numerous testimonials in favour of his different medical preparations, much more highly than the great majority of those which are extensively circulated. On trial of them in my own family, and some of them personally, I have more than realized their favourable anticipations. They are what they profess to be; not quack nostrums; but skillfully prepared antidotes for some of the most afflictive of human diseases. I know that they are highly esteemed and frequently prescribed, by some of the most respectable of the regular practitioners of medicine in this city and elsewhere, and I do not hesitate to commend them as a valuable addition to our materia medica, and as safe, as well as eminently useful remedy for the diseased."

RUFUS BABCOCK, Jr. D. D.  
Philadelphia, 7th June, 1838.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had JAYNE'S CARMINATIVE BALM, for the cure of BOWEL COMPLAINTS, &c. TONIC VERMIFUGE, for the removal of WORMS, &c. SANATIVE PILLS, for DYSPEPSIA, LIVER COMPLAINTS, and FEMALE DISEASES, &c. Also, Jayne's Hair Tonic, for the removal of BALDNESS and preservation of the Hair.

# MONEY WANTED FOR STATE SCRIP.

PERSONS who may have money which they wish to invest safely, may now have an opportunity of doing so in State scrip. The scrip is issued by the State of Va., bearing an interest of 6 per cent. per annum, redeemable in 20 years, the interest to be paid every 6 months. If persons investing money in scrip should wish to convert it again into money, it can always be sold at a premium in consequence of the certain security. It is certainly a much better and much more certain investment of money than Bank stock.

ATTENTION BALD HEADS. NO APOLOGY FOR WIGS. Of all the remedies ever devised for the restoration and preservation of the HAIR, nothing has been found equal to JAYNE'S HAIR TONIC. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. FITCH.  
PHILADELPHIA, May 10, 1838.

Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin, threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH.  
No. 173 Chestnut street.

Mr. Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all his hair from the top of his head, has had it completely restored by the use of this TONIC. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this HAIR TONIC, one of them was over sixty years of age. Four gentlemen connected with the Public Press in Philadelphia have also had their baldness removed by using this remedy. The Rev. Mr. PARKER, PASTOR of the PRESBYTERIAN Church in Delaware County, Pa. who was completely bald over all the top of his head, and was, also become considerably cary, has used only two bottles of this TONIC, and has not only a luxuriant growth of new hair upon his head, but all the GRAY HAIRS have disappeared, and their places have been supplied by healthy hair, of a natural colour. Finally, nine cases of baldness out of every ten may positively be removed by a faithful application of this valuable remedy. There is therefore, now, NO EXCUSE FOR A BALD HEAD.

Prepared only by Dr. D. JAYNE, sole proprietor, No. 20 South Third Street, Philadelphia. Price 1,00 a bottle.

# Invaluable Property FOR SALE.

ON Wednesday the 27th day of May next, will be sold on the premises to the highest bidder—that valuable farm belonging to the estate of John Mohler, dec'd. called

# CAVE HILL.

It is situated in the most beautiful and fertile part of Augusta County, and contains about

# 269 ACRES,

with every convenience on it for the comfort of a family, and the accommodation of visitors to Weyer's and Madison's Caves, which are on this farm, and will be sold with it. The

improvements are a commodious DWELLING HOUSE, KITCHEN, SMOKE HOUSE, LUMBER HOUSE, PANTRY, DAIRY, ICE HOUSE, and a LATTICE DINING APARTMENT, upwards of 100 feet long—all new buildings. Also a large and excellent BARN, PEACH & APPLE ORCHARDS, and hydraulic apparatus which conveys water to the House and Kitchen, garden, barn, dairy and to the fields for the stock.

Weyer's Cave is justly esteemed as being one of the most remarkable and grand wonders of the world. No person can visit it without expressing himself delighted and well rewarded for his toils. Indeed if there is any thing to "strike mute in astonishment the proudest fancy and the most brilliant imagination," it is Weyer's Cave, and its diversified ornaments. The mind becomes absorbed in admiration and wonder, and for the moment loses the power of reflection.

Every visitor can testify to the attractions of the wonderful scene. In addition to its attractions as a curiosity, it contains an extensive quarry of the most rich and rare stalactitic crystallizations ever discovered in any country—of which small specimens are worth from \$5 to \$20, each.

This Cavern is becoming a place of very considerable resort. The time is not distant when the whole tide of travel will flow to this place, and it will continue to be a source of increasing revenue to the owner in all time to come—indeed nothing but little capital and enterprise is wanting to make it the most desirable and valuable property in Virginia—possessing decided advantages over any of the watering places, as the profits arising from it are attended with less trouble and cost. Possession will be given on the 15th of November next.

Also will be sold at the same time and place, to the highest bidder, a tract of land in Rockingham County—containing about

# 17 ACRES,

called Cluster Mills—on which there is a large STONE FLOURING MILL, AND A SAW MILL, recently and thoroughly repaired, with water power not inferior to any in Virginia. This mill is celebrated for manufacturing flour speedily, and of good quality, and embraces an extensive custom. There are also on this tract a comfortable and neat DWELLING HOUSE, a Miller's House, Stables, and all other necessary out buildings. Possession will be given on the first of July next.

TERMS.—One-third the purchasers can retain during the life of the widow by paying the interest annually. The balance will be required in three equal annual payments—the first on the 15th November, 1840. J. Mohler who resides at Weyer's Cave, will cheerfully give any information by mail or otherwise that may be required. Address Mt. Meridian, Augusta County, Va.

DR. J. KUH'L, Richmond, Va.

Dear Sir:—We have been nearly five years Agents for the sale of your Medicines, and it gives us pleasure to inform you of the great success in the many cases performed by them, particularly in cases that were deeply rooted in the system, and where the patient had lost all hope of recovery. THE ANÆMIA MIXTURE is in great demand, and not one case has failed to our knowledge.

The ANÆMIA SYMPHYLITIC SYRUP, has proved effective, and that in many obstinate cases.

Many physicians in our neighbourhood, who have used your Medicines in their practice, have given their opinion as to its being very valuable and efficacious, and whenever it is in their power, recommend them; so that you may be aware our sales are of some consequence.
