Likewise I give to his two little children Sarah Ann and Margaret to each one two year old kipes and also to my Grand Daughter Sarah Charlotte one two year old kipe. I give unto my daughter Margaret also one third part of my Sheep likewise two Beds and their steds and furniture and such other furniture as she heretofore claimed with cloths and haws and saddles and such share of my cattle as she now claims with consent of her Mother and one third of my Sheep on this special condition that she doth not marry without her Mother's consent first had and obtained in writing otherwise the bequest in a line given to be void and to be divided between William and Esther. To my Son William I give one third of my Sheep.

Any other property here mentioned to be divided equally amongst my three Children. I likewise give unto Major John Bolton my heir at law the Tract of Land wherein he built a cabin and on which Robert Pitt now lives to him his heirs and assigns forever. I also give to my Sarah the female Slave Lucinda during her life and then to return with her increase as a line to William and Esther if Margaret do not marry by consent of her Mother. The Slave Jean who is an Idiot is to live with her Mother while she lives and afterwards by my son.
