Keep the House and lots around it rented I leave my Father's plantation to be sold
his will directs though was prevented by the rest of the Legacies as they were all the
when I sold the personal property and all of age they would not agree that I should
take less than 25 Dollars per acre the sale I never could effect they entered into an
article of ten thousand Dollars not to interrupt me under hand and seal now
in the Clerk's office since then I became the purchaser of their shares besides my own
my Executor will examine my Father's will as he gave different legacies and por-
tions in that as the will directs all the parts I purchased with all the ad-
vances as my Father's will made the difference I bought Isaac Amis Blaine Rich-
Lamb & Esther his wife and Miss Fleming and Susanna his wife my personal
property will perhaps pay all my debts but if it does not I want my estate
to sell the old place for ^{Boletown County Virginia Wills 1829-1838} my four shares will pay every expense and
leave considerable money if it should I want you to pay to my daughter
Eleanor her legacy if you see she stands in need or any of the other of my daughter
younger than Eleanor my three sons Hainston Matthew I & Andrew they are
to receive ~~the~~ parts of their legacy only as they arrive at the age of twenty five
money be kept as interest I think Hainston & Matthew able to earn their parts
and brother and in two years more three months schooling they would be worth
a year the rents must be applied so as to suit their several Capacities
that my son Andrew and my daughter Elizabeth be raised till they are able to work
any of my children the without I fear their portions shall be divided amongst the rest of
my living children I am signing to no part of the will I wrote at many different times with my own
hand and I could find myself able to write I shew as my Executor Esquire William M. Davis
and John Andrew I shew one of my Executors last will
