Brunswick County 18th June 1836. agreeably to an order of Court hereto attached to the acco^t of Julia Ann Lashley I have stated settled and adjusted the acco^t of Jos. A Reddick Guardian of Benjamin Lashley as stated herewith, and find a balance due the ward on the 1st July 1836 of sixteen hundred & eighty seven dollars and forty nine cents with interest on \$1647. 76 from the first of next month (July) till paid. I have debited the Guardian with interest on the amounts received of Benjamin Harrison the late Guardian from six months after the receipt as also on the hire of the negro's & rent of land. The guardian preferring to cash the bonds and take all risk to himself shall keep an account of the time each payment be made to him, and with all these was a great many bonds rec^d of Mr. Harrison for small amounts and very much scattered. Your Commissioner taking all things into view thought it best for the ward particularly as a reasonable time ought to be allowed the how to make disbursements. The Genl Charges were properly supported by vouchers with a few exceptions, and all appear reasonable and proper. All of which is respectfully submitted to Court

Brunswick County 18th June 1836. agreeably to an order of Court directed to the account of Julia Ann Lashley I have stated, settled and adjusted the acc^t of Joseph A. Riddick Guardian of James Lashley as stated herewith and find a balance due the ward of the first day of July 1836 (next month) of Eight hundred & sixty six Dollars thirty three Cents with Interest on \$807.16 from and after that day. I have debited the Guardian with Interest on the amt. rec^d of Benjamin Harrison the late Guardian is also on the negro hires from 6 months after receipt of the bond from B Harrison, from the time the hires become due, the guardian preferring to cash the bond & take all risk to himself, than keep an account of the time each payment be made to him, there being a great many small bonds rec^d of the former Guardian and very much scattered about. Your Comm^{rs} deem it more to the Interest of the ward, particularly as a reasonable time ought to be allowed the guardian to disburse the funds as they might be received. The items charged were properly supported by vouchers with a few exceptions and all appear reasonable and proper. All of which is respectfully submitted to Court. J. B. Matthews M. C. C.

San Francisco Jan'y 12th 1838. In Obedience to the annexed order from the County Court of Brunswick, I have examined, dated, & settled the account current of Rth H. Wallton guardian of M^r J. Manwile and find a balance due from the guardian of \$1136.57 with Interest from 1st Jan'y 1838. All such debts as were not supported by formal Vouchers, the Court was directed to allow by a note from M^r J. Manwile, who is now of age (as the Court is informed) which note is returned with this account. There were very few of any, which the Court would not have allowed without this Note. All of which is respectfully submitted. Wth J. Gordon. M.C.
