Pursuant to an Order of the County Court of Brunswick Made this day in the presence of William Evans & David Butler who intermarried with Miss A. Smith (both the said parties proposing themselves to be ready for the settlement) proceeded to state and adjust the accounts of said Evans as Guardian of Andrew E. Smith as above. The charges made by the Guardian as above stated appear to be reasonable and where thought necessary were supported by satisfactory vouchers (except those items marked X) to the Justice & payment of which the said Evans made out before your Commissioner. The result of the foregoing account leaves a balance due from the ward to the Guardian of thirty seven dollars & 53/100 to carry interest from the 31st day of December 1822 (except the sum of 44 Cents put thereon) all which is respectfully submitted.

Pursuant to the above Order I have stated adjusted and settled the accounts of Phill Claiborne as Guardian of Russell B. Milkes and make the balance due from the Guardian to his ward the 31st day of December 1828 the sum of Eighteen hundred fifty four Dollars and fifty nine Cents which will appear by referring to the Account herewith annexed. It will be seen on examination of the account that I have charged the Guardian in the year 1829 with one third of One hundred and sixty dollars in the year 1820 with the one third of One hundred and thirty dollars and fifteen Cents. & in the year 1822 with the one third of two hundred and sixty one Dollars and ninety Cents it having appeared to my satisfaction that Phill Claiborne received the above stated amounts and I could not discover where he had accounted for them either as Executor of Russell Milkes Dec^d or as Guardian of Russell B. Milkes and from the will of Russell Milkes dec^d I am of opinion that Russell B. Milkes is entitled to the several amounts as stated above; which is respectfully submitted.

Agreeable to the annexed order of Court & notice of publication thereof I commenced the examination settlement & statement of Rebecca C. Vaughan's account with Mr Rice dec^d her late Guardian on the 9th Inst. and continued from day to day untill completed and find a balance due her or her legal representatives from the said William Rice dec^d on this day the sum of four hundred and six dollars and forty one Cents (One hundred & thirty two dollars & 77 Cents a part thereof to her interest only) This debt was supported by proper vouchers, and by charges taken from the books of the late Mr Rice (from which your Commissioner has also been furnished with many of the credits the articles furnished & charged for appears to be such as were suitable and proper, amongst said papers were several memorandums furnishing debts and credits. In addition to the books, vouchers, and memorandums above referred to your Commissioner has with the aid of one of the examiners by examining into the Clerk's Office found several preparations of Estates due her which has been placed to her credit in their proper places. The rent of the land appears from said Rice's books to have ceased with the year 1822 its renting only for 4th that year. There were two negroes belonging to Rebecca C. Vaughan at the

having for the year 1825 as appears from the memorandum of
 having consisting of Men women boys & children which from
 the answer of Mrs Rice were delivered up to J^r M^r May who inter-
 married with said Rebecca. The negroes no doubt can be divided
 in kind. The land perhaps cannot be advantageously divided.
 I am requested by one of the executors of Mrs Rice dec^d to examine the
 Court of the assistance of a suit in Chancery now pending
 against said Rice's exors who was the Ex^r of Mrs Vaughan dec^d
 instituted by Sarah W Walker in which Bill she claims a
 proportion of a part of the personal estate that she alleges
 was applied exclusively to the board of Mary A & William
 Vaughan and the widow and younger children of said
 Mrs Vaughan dec^d which if she should recover, no proportion
 will be chargeable in justice to Rebecca & H Vaughan & one other
 to Lucy M Vaughan I am requested further by the same
 Ex^r to inform the Court that from satisfactory evidence pro-
 duced before me that Mrs Vaughan appears to be indebted
 to the estate of Mrs Rice dec^d by bond & open acc^ts including
 interest to this day in and about four hundred dollars
 all of which is respectfully submitted &c.

Brunswick County Set:

Agreeable to the order of the Honorable the County Court of Brunswick and the notice of Publication thereof which is attached to Rebecca McNaughtans Guardian acct. I commenced the examination, settlement & statement of Lucy McNaughtans account with William Rice dec^d her late Guardian on the 9th instant, and continued from day to day untill completed, and find a balance due her or her legal representatives from the said McRice dec^d on this day the sum of three hundred and three dollars and ninety seven cents. But interest to be calculated from this day only on \$157 12 5 a part thereof, that being the balance of the principal. The debts were supported by proper vouchers and by charges taken from the Books of the late William Rice from which there also has formed a balance due to the County Court.

to be such as was suitable and proper among said papers were several Memorandums furnishing debts and credits. In addition to the Books vouchers Memorandums also referred to, your Commissioner has with the aid of one of the Clerks of said Rice by examining into the Clerk's Office found several propositions of estates due said Lucy, which has been placed to her credit in their proper places. The Rent of the Mill appears to have ceased with the Guardianship of William Warwick in 1817 whether it was so injured by a fire as to be thought a useless expense to repair, or otherwise destroyed or became in desuetude your Commissioner is uninformed. There were nine negroes belonging to Lucy McNaughton at the time of the hiring for 1827 as appears by the memorandum of hiring consisting of men women and children, these negroes together with their beloved J. M. Clay who intermarried with Rebecca McNaughton doubtless can be divided in kind, the land cannot perhaps be advantageously divided. Your Commissioner would now merely refer the Court to that part of his report to the account of Rebecca McNaughton which reminds the Court of the suit of Sarah W. Walker agt Rice's execs. and of the Court that appears to be due the said Rice's estate by Mrs. McNaughton without again reciting it at length.

All of which is respectfully submitted &c.

Lawrenceville 25th November 1829 -

Agreeable to the annexed order of Court I have stated, settled and
adjusted the account of Gray F Dunn late Guardian for Lucy
Taylor, and find a balance due from said Guardian the sum of
Four hundred & eighty three dollars and sixteen cents, with Inter-
est on \$368.⁵⁴/₁₀₀ a part thereof from this day untill paid -
I find from a certified copy of acc^t current settled by Commissioners
appointed by the County Court of Lunenburg and returned to
that Court on the 11th Decr 1826 that the sum of \$110.85 & the amount
credited Lucy Taylor in an acc^t current; I settled and returned
to this Court on the 22nd day June 1827, was placed to her credit
and accounted for in the settlement of the acc^t returned to
Lunenburg Court - consequently was an improper credit - but your
Commissioner was not then apprized of that fact, the balance
which appears from that acc^t then due her would be and improp-
er credit to be placed to this acc^t - all of which are respectfully
submitted &c
