Commissaries Office April 13th 1843.

Iquably to the above order, the parties appeared before me, at my Office in the Town of Lawrenceville on the 13 March 1843, with their Vouchers and proofs, and, I have stated and settled the said account of Bro J. E. Lewis Gov^r of Francis S. Lunn. And find a balance due the said Bro J. E. Lewis Gov^r as aforesaid on the 31 Decr. 1842 of Three thousand two hundred and three dollars and forty eight Cents principal, and eight hundred and seventy one dollars & sixty six Cents interest Making principal and interest together, the sum of due the Gov^r from the ward of \$4075 13 with int on three thousand two hundred and three dollars & forty eight Cents (\$3203.48) from the 31 Decr. 1842 till paid. The Comm^r. has had great difficulty in separating the Vouchers of the Gov^r from those of the ward's general account as ext^d of the ward's father, to wit Gray S. Lunn dec^d., but believes he has succeeded in fairly auditing the account as Gov^r and that the Vouchers for the two accounts have not been blended. All the Vouchers submitted in this account were deemed by the Comm^r. to be very moderate and proper so far as Charges against the ward were concerned, particularly the board charged the ward by her Gov^r while a mere infant. There were some items not supported by Vouchers but they were in the main, deemed reasonable and proper being of such a nature as in some instances to preclude the possibility of procuring Vouchers. The amt found due from the ward may seem large. But when it is considered that the account has run through a series of upwards of seventeen years, and that nearly one fourth of the amount is int^r on sums advanced by the Gov^r it will not be deemed, it is thought, by your Comm^r. to be an overcharged account. The duties of the Gov^r have been of a delicate & responsible kind having caused the ward's ward into his minority whilst in his earliest infancy. All of which

is respectfully submitted

W. S. Claiborne Jr. M.C.P.C.

Correspondence Office March 15th 1864

I have received the annexed order from the County
 Court of Brunswick to me directed. I have examined
 the same and find the account current of his Affairs
 to be a correct original. I will send you
 from the original Order to said John Foster viz.
 31 Decr 1834 the sum of \$630.07 with int. thereon
 from the said 31 Decr 1834, the said, I am requested
 by the Gov (who as seems has acted throughout his Guardian
 ship with the view to promote the interest of his wards)
 to report here, that he applied the hire of the negroes for
 the year 1835 to the payment of a debt that stood against
 the estate of Henry Foster dec'd, who was the father of
 his wards amounting to the sum of \$219. Also a part
 of the hire of 1836 for the like purpose, amounting
 to the sum of \$418.65. This he did rather than sell
 the negroes of his ward. He the Gov paid for the Foster
 \$12.50 difference in the value of the lots of negroes at
 the division of the same. Your Commissioner will ~~also~~
 state here, that he deems the charge of the Gov in this
 account to his ward for her board, to be very reasonable
 and less than similar charges in most of the accounts, he
 has stated since he has ~~been~~ had the honor, of the County Court
 of Brunswick, to hold the Commissioner's place
 All which is respectfully submitted to the worshipful
 County Court of Brunswick

Commissioners Office June 30th 1844

In obedience to the ordered order of the County Court of Brunswick, I have examined stated and settled the account current of John & Montgomery Son of Mary I Mitchell now Foster, and find said ward indebted to her Son on the 31st Dec^r 1843, in the sum of \$638 29. with int thereon from said 31 Dec^r 1843 till paid. Your Commissioners states specially, that he has allowed the Son in the account 5 per cent Com^d on the \$1225.07 balance of Benjamin Wilkerson former Son of Mary I Mitchell, now Foster, in a suit in Chy in Sup^r Court. though it appears on the face of the papers in said suit, that the money above mentioned, was paid to the husband (Thomas R Foster) of Mary I Mitchell, and not paid to the Son John & Montgomery as it ought to have been, to enable the Son to the Com^d. This your Commissioners, done at the instance and request of Thomas R Foster, who agreed, that his wife Son John & Montgomery should be allowed the 5 percent in this account as compensation for his trouble in prosecuting the aforesaid suit against said Wilkerson former Son as aforesaid. All which is respectfully submitted to the Honorable the County Court of Brunswick.

Lawrenceville, Brunswick County Term 24 May 1845

In pursuance to the Annexed Order of the County Court of Brunswick, 5th Decr. 1844, I have examined, stated and settled the account current of John F. Maclean Genl of Mary & Jones and Margaret J. Jones and beg leave to report thereof as follows: By reference to the within act marked No 1 it will be seen that John F. Maclean Genl was indebted to Mary & Jones, on the 31st Decr. 1844 in the sum of \$879.59 and with int from said 31 Decr. 1844 till paid. And by further reference to the within account marked No 2 it will be seen that John F. Maclean Genl of Margaret J. Jones was indebted to his said ward Margaret J. on the 31 day of Decr. 1844 in the sum of (\$752.86) \$752.86 without from 31st Decr. 1844 till paid. The Comrs report specially that the Charges of the Genl against his aforesaid ward were all supported by proper vouchers, with the exception of some few which were of such a nature, as that they seemed to your Comrs. to have been unnecessary such as the Genl was justified in furnishing his ward.

All which is respectfully submitted to the worshipful. the County Court of Brunswick.
