Commissioner Office Laurencetown Brunswick
County Virginia January 17th 1848.

In pursuance of an order of the County Court of Brunswick to me directed, made at November term 1847, I have examined stated and settled the account current of Edward P. Prodnax Guardian of William Edward Prodnax and report thereof as follows to wit. By reference to the within account it will be seen that Edward P. Prodnax Guardian as aforesaid was indebted to William E. Prodnax, on the 31st of Decr 1847 in the sum of \$3896.81. The above sum, due as aforesaid is not to carry interest the Guardian having this day to wit 31st Decr. 1847 Liquidated the same by executing his bond to his ward William E. Prodnax who has now, at the time of writing this report, reached his majority. Your Commissioner is witness to the said bond for the above stated balance reported as due the ward William E. Prodnax.

Your Commissioner reports that there were vouchers lawful & proper for all the debts to the ward aforesaid exhibited before Your Commissioner by the Guardian aforesaid contained in this account. There are sums of money due the ward for the hire of negroes & rent of land & dividends on stock not yet collected by the Guardian and of course not entered in this account which must remain for future settlement between the Guardian and his ward. Also, probably, some inconsiderable debts due from the ward. These hires, rents &c are held by the Guardian in right of all things of his ward and being not yet collected cannot be conveniently divided & must remain for future adjustment. By a decree of the County Court of Brunswick appointing Commissioner for that purpose.

Commissioner's Office Aug 27th 1849.
 In pursuance of the written order of the County Court of Brunswick, to me directed I have examined, stated & settled the account current of E. H. M. Parham Esq of William C. Parham, & find the said E. H. M. Parham San as afore-
 said indebted to his ward William C Parham on the 31st Dec 1848 in the sum of seventeen hundred & twenty three dollars & thirteen cents (1723.13) with interest thereon from the said 31st December 1848 till paid. Your com^r states specially that the San acting under an order of the County Court of Brunswick sold a negro named Jacob, for \$650, belonging to his ward, that he held the amt of the sale aforesaid from the 22nd of Mar to the 22nd Sept 1848 when it was put to interest. This indulgence was allowed the San as it was his purpose to reinvest for the benefit of his ward the paid \$650 in other negro property.

Respectfully submitted to the County Court of Brunswick
