The Court states specially that the sum was allowed by the County Court of Brunswick to appropriate to the support of this ward Mary G. & Clara F. Wilson the sum of four hundred dollars. This amount might have been entered to the credit of the sum at the date of the order to appropriate the same - but it was not done in this acct.

Com^r Claiborne's Office Sept 25th 1850

In pursuance of an order of the County Court of Brunswick to me directed made at January Term 1847 I have examined, stated & set forth the acct current of Edward B. Tucker Guardian of Mary G. Wilson & beg leave to report thereof as follows to wit: By reference to the within acct it will be seen by the Court, that on the 25th Dec 1850 that Miss Mary G. Wilson was indebted to her Guardian Edward B. Tucker in the sum of six hundred & twenty-three dollars & forty-eight cents \$623.48 with interest thereon from said 25th Dec 1850 till paid. The Com^r reports specially that all the vouchers laid before the Court in this acct for money paid out by the Guardian for his ward were good legal vouchers & he states further that the amount which the Guardian charged his ward for Board was very moderate, being at least fifty dollars less than she could get decent Board for anywhere in the County. All which is respectfully submitted to the County Court of Brunswick.

D. J. Claiborne Jr M. C. C. C.

The Court states specially that the Guardian was authorized by the County Court of Brunswick to appropriate to the support of his wards Mary & Clara G. Wilson the sum of four hundred dollars. This amount might have been entered to the credit of the Guardian at the date of the order to appropriate the same, but it was not done in this acct.

Commissioner Berkeleys Office
 Kingston, July 11th 1861

The undersigned Commissioner respectfully reports to the County Court of Kingswick that he has in obedience to the foregoing order stated, settled and adjusted the account of Thomas D. Holton as the Guardian of Miss Anna Ella Hill. It is closed on the 1st day of July 1861. and exhibits a balance on that day, on the hands of the said Guardian, of \$3224.41. Proper and satisfactory vouchers were produced for all the disbursements.

In arranging the account itself, the Commissioner has taken no notice of the fact that the disbursements have included the profits of the estate and the amounts authorized by the Court to be expended out of the principal. He put that matter right - he has relied upon the following special statements, made at the instance of the Guardian, and which he submits as a part of his report -

The Commissioner finds by the papers exhibited by the Guardian that the principal of Miss Hill's estate was as follows	
Money received from Mrs. M. Holton's estate	2275.90
for Norman Egey, etc.	500.00
from the Mrs. Holton's estate (dowry & property)	200.45
on sale of land in Kingswick, &c. of \$57290	355.45
for settle " " of 57274	276.37
from estate of W. D. Holton &c. of 59.05	29.53
	<u>3756.68</u>
Deduct 5 percent Commission	186.53
	<u>3549.55</u>

The Guardian was authorized by the order of Kingswick County Court to expend

750.00

2799.55

The balance now in the hands of the Guardian is

2124.41

575.44.

It thus appears that there is an unauthorized diminution of the principal of the ward's estate of \$575.44. The Guardian is by law accountable for this amount, and Miss Hill when she attains the age of twenty one years, or her husband, should she marry, may hold him responsible for the same.

In this account the Guardian has accounted for the \$500 bequeathed by Mrs. Mary Holton to T. D. Hill upon his attaining twenty one years. He did reach that age, but died soon after. Miss Anna Ella Hill was his only sister or brother, and the Guardian who was the Adm^r of Mrs. Mary Holton, without any qualification on T. D. Hill's estate accounts with Anna E. Hill for the whole of Mrs. Mary Holton's estate.

Respectfully submitted

L. M. Bernard Com^r
