Comms Office Lawrenceville Ga Nov 1st 1851

To the County Court of Brunswick County

Your Commissioned reports to the Court that on the 20th November 1851 Edward J. Rodman Guardian of Alexander J. Rodman exhibited before your Com^{rs} a statement of all the money which he the said Edward J. Rodman had received or become chargeable with or had disbursed, within the 1st of Jan^y 1850 & the 1st Nov 1851 together with the vouchers for such disbursements. That the Com^{rs} embraced the said Guardian in the list of Fiduciaries whose accounts were before laid for settlement which was posted at the front door of the Court House of said County on the first day of October County Court last & the date of this report (ten days having elapsed since the said account was mentioned in said list) make up & completed the foregoing accounts

Commissioner Bernard's Office

Hunting July 11th 1861

The undersigned Commissioner respectfully reports to the County Court of Brunswick that he has in obedience to the foregoing order stated, settled and adjusted the account of Thomas S. Holton as the Guardian of Miss Ann Ellen Hill. It is closed on the 1st day of July 1861, and exhibits a balance on that day, in the hands of the said Guardian, of \$2124.41. Proper and satisfactory vouchers were produced for all the disbursements.

In arranging the account itself, the Commissioner has taken no notice of the fact that the disbursements have exceeded the profits of the estate and the amounts authorized by the Court to be expended out of the principal. To put that matter right he has relied upon the following special statements, made at the instance of the Guardian, and which he submits as a part of his report.

The Commissioner finds by the papers exhibited by the Guardian that the principal of Miss Hill's estate was as follows

Money received from Mrs. M. Holton's estate	3278.90
for woman Eney sold	500.00
from ^{Mrs.} M. Holton estate (dowry) & Jan'y	200.25
for sale of land in Brunswick, &c. of \$ 672.90	358.45
for " " " " " " of 572.74	276.37
from estate of W. S. Holton &c. of 39.06	29.53
	3756.68
Less: Special Commissions	186.85
	3549.83

The Guardian was authorized by the order of Brunswick County Court to expend

750.00

3799.83

The balance now in the hands of the Guardian is

2124.41

575.44

It thus appears that there is an unauthorized diminution of the principal of the ward's estate of \$ 575.44. The Guardian is by law accountable for this amount, and Miss Hill, when she attains the age of twenty one years, or her husband, should she marry, may hold him responsible for the same.

In this account the Guardian has accounted for the \$500 bequeathed by Mrs. Mary Holton to T. M. Hill upon his attaining twenty one years. He did reach that age, but died soon after. Miss Ann E. Hill was his only sister or brother, and the Guardian who was the Adm^r of Mrs. Mary Holton, without any qualification on T. M. Hill's estate accounts with Ann E. Hill for the whole of Mrs. Mary Holton's estate.

Respectfully submitted

L. M. Bernard Com^r

Com^d Office, Lawrenceville Feb 26th 1852

To the County Court of Brunswick County

Your Com^d reports to the Court that on the 16th day of Decr
 1851, Robert Joice Son of Margaret & Rittenburg alias Love exhibited be-
 fore your Com^d a statement of all the money which he the said Robert
 Joice had rec^d & become chargeable with, or had disbursed as the Son of
 said Margaret & Rittenburg, together with the vouchers for such disbursements
 that the Com^d embraced the said Son in the list of fiduciaries whose accounts
 came before him for settlement which was posted at the front door of the Court
 House of said County on the 1st day of October Court day 1851 & on the date of this
 report (six days having elapsed since the said account was mentioned in
 said list) made up & completed the within acct of the said Robert Joice's
 Guardianship of the estate of the said Margaret & Rittenburg & on the 31st
 Decr 1851 finds a balance of \$443.17 due from the said Son advanced to the
 estate of the said Margaret & Rittenburg alias Love. The acct is sup-
 ported by satisfactory vouchers & is herewith returned.

It will be seen by reference to the within acct at pp 1 & 2 that the said Joice
 was not ~~liable~~ as the Son of the said Margaret & all his disbursements for
 said Margaret were allowed without reference to their exceeding his income up
 to the 1st Jan 1841 at which time he became the legally qualified Son of
 the said Margaret & from the latter point, or rather from the time he was
 appointed Son, the acct is made up on principles regulating Guardian's
 accounts to September 1843 at which time the Guardian got an order of
 Court allowing him to spend \$200 of the principal of his wards estate.
 His disbursements after that (see back of the account) time were confined
 within the annually accruing interest including the said amt^y of \$200
 until the close of the acct as Guardian during the progress of which there
 was expended of the Principal of the wards estate the sum of \$197.96.
 The Son lived in the year 1841 \$77.65; in 1842 \$32.65 and in 1843 up to
 August Court of that year \$10.99 - in the aggregate without interest being added
 \$121.29. It is a hard case, but such is the Law of the Land, no transcending
 the profits of wards estates without first getting the authority of the Court to do so.

Your Com^d reports further to the Court that he has examined whether
 the said Com^d has given such bond as the Law requires & whether it is in a
 penalty & with securities sufficient & finds the same to be unobjectionable &
 fully sufficient.

Given under my hand, as Com^d of the said Court on the day
 & year first aforesaid
