John Ireland's
Will

Know all men by these presents that I John Ireland of River Edge Charles
City County and State of Virginia being in sound mind and memory blessed be
God, for the same and all his other blessings bestowed upon me from time to
time, do make this my last will and testament in manner and form following
that is to say, After my funeral expences and all my lawful debts are paid
I give and bequeath to my mother Mary Ireland my sisters Ann Ireland,
Sulia Ireland and Elizabeth Ireland an annuity to continue during their natural
lives of thirty pounds Virginia Currency each: at their decease severally I direct
that the above annuities shall return to my children and be equally divided
among them; And I hereby relinquish in their favour, during their several
lives, any claim I may have to a Lot A-121, situated in Pocahontas within
the corporation of Petersburg: In the event of their several deaths I direct
that my claim shall return to my children and be equally divided among
them. - My tract of land in New-Kent County called Woodseys contain-
ing 328 acres shall be sold as soon as convenient and the money put on interest
for the schooling, board, clothing and maintenance of my two children Mary
Elizabeth Ireland and John Percille Allen Ireland; When they shall have arrived to the
age of 21 I direct that said tract shall be equally divided between them if
not sold, I do this because said tract partly came by their deceased mother
Tabitha Edloe Ireland. - Should Woodseys remain unsold I direct that it shall
be rented out and the money arising from the rent to be applied to the
support of my two children J. P. A. Ireland and Mary Elizabeth Ireland. -
I direct that my tract of land on which I reside called River Edge, with the
negroes, stock of horses, mules, steers, cattle sheep and hogs together with my
crops of corn and wheat, household and kitchen furniture, farming utensils
boats and all other things appertaining thereto shall remain in the possession
of my wife Jane Myatt Ireland who shall have the benefit of the produce
of said property during her natural life and widowhood to maintain herself and
to school, board, cloth and maintain my children. - The interest of the follow-
ing sums shall also be appropriated to the accomplishment of the objects
and purposes of this my last Will and testament Six hundred dollars
the interest on Ten thousand dollars United States War loan of 1812
the interest of seventy five bank shares of the Virginia bank (old stock)
the interest of Eleven shares of the Virginia bank (new stock), Interest on
twenty four shares of the Bank of the United States, and Interest on
\$2,950 Louisiana domestic stock making generally an aggregate amount
of interest of from \$1700. to \$2000 per annum. - In the event of any of
the above stocks becoming redeemable by the United States or either of the
above named banks, I, in that case hereby direct my Executor to receive
the amount and put it out on interest which interest to be applied as
before directed. - Should my widow embrace the matrimonial state

her authority over any kind or species of my property shall immediately cease and my Executor is hereby positively directed to allow her a reasonable sum for her support; this sum together with the annuities left my mother and three sisters and the sums for the schooling, board, lodging clothing and maintenance of my children shall be collected by my Executor out of any monies arising from my estate and by him appropriated as above directed. After my widow shall have married I direct my executor to rent out River Edge and hire out all my negroes; the rent and hire of which property is to be applied in the same manner as the interest of my other property; the stock of horses mules steers cattle sheep and hogs with the furniture books, plate, kitchen furniture, farming utensils, crops of all sorts boats and in fact every species of perishable or moveable property shall be put up to the highest bidder and sold, the proceeds of the said sale to be put out on interest, and the interest applied as the interest on my other property. And for the faithful execution of this my last Will and Testament I constitute and appoint John Tyler of Charles City County my Executor. As Witness my hand and seal this twenty eighth day of October One thousand eight hundred and eighteen. —
